GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

Medical Department—Regulations.

Read the following paper :—

No. From Lieutenant-Colonel E. COLLEN, Secretary to the Government of India, Military Department, to the Surgeon-General, Her Majesty's Forces, Bengal; dated Simla, the 27th May 1889, No. 2181-D.

Medical Department—Regulations.

In reply to your letter No. 1179, dated the 29th March 1889, I am directed to say that European soldiers in the hills are allowed 60 square feet and 600 cubic feet, and the Government of India think that about three-quarters of this space would be sufficient for Native troops, that is, 45 square feet and 450 cubic feet. This cubic space, however, would require the barracks to be 10 feet high, the same as barracks for Europeans, which is perhaps unnecessary.

It has therefore been decided to allow Native troops in the hills 45 square feet and 400 cubic feet, which would permit of the rooms being 9 feet high.

2. Appendix No. 23, Army Regulations, India, Vol. VI, will be modified accordingly.

No. 2181-D.

Copy forwarded to the Secretary to the Government of Madras, Military Department, for the information of the Governor in Council.
