GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following papers:—

From Brigadier-General M. PROTHEROE, C.B., C.S.I., Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 13th June 1889, No. 543 Barrack.

In forwarding correspondence as per margin upon the subject of deepening Miller's tank at Bangalore, with a view to improving the water-supply in that part of the town which includes the lines of the 12th and 25th Madras Infantry, I have been desired by the Commander-in-Chief to say that, as any scheme for the supply of water to the civil and military station generally of Bangalore will probably not be carried out for some time to come, His Excellency approves of the work now suggested, and accordingly recommends the proposal that half the expenditure on it, viz., Rs. 2,000, should be borne by the Military Department, the amount being debited against the Imperial Military Works budget for 1889-90, part I, class B works, item No. 4.

ENCLOSURES.

From Colonel J. C. AUCHINLECK, R.H.A., Commanding Bangalore District, to the Quartermaster-General, Ootacamund, dated Bangalore, 1st June 1889, No. 352.

In forwarding the accompanying letter No. 75-97 of the 24th ultimo from the President, Bangalore Municipality, I have the honor to recommend for favorable consideration his application for a sum of Rs. 2,000 as the contribution by the Military authorities towards the deepening of No. 3, Miller's tank.

2. From inquiry it appears that a sum of Rs. 4,000 will be required for the work, and as the 12th and 25th Regiments, Madras Infantry (representing 4,679 souls), are almost entirely dependent on the tank for their water-supply, I consider the amount now asked for is one which Government might fairly be asked to contribute.

A letter from the Executive Engineer, giving his opinion on this point, is attached.

From the President, Bangalore Municipality, to the District Staff officer, Bangalore, dated Bangalore, 24th April 1889, No. 75-97.

I have the honor to inform you that the deepening of No. 3, Miller's reservoir, has been started by the municipality for increasing its storage capacity, and as sufficient funds to complete the work are not available, I request you will be so good as to inform me if you will be able to arrange for obtaining a grant of Rs. 2,000 as the quota payable by the Military Department towards completing the work in progress.

2. As the Native Infantry Regiments located in the vicinity of this reservoir are solely dependent on it for their water-supply, I trust that the grant applied for will be sanctioned.

From Colonel ROSS THOMPSON, R.E., Executive Engineer, Presidency Division, to the District Staff officer, Bangalore, dated Bangalore, 30th May 1889, No. 204 M.

In reply to your No. L-737, dated 20th May 1889, I have the honor to inform you that I carefully inspected No. 3, Miller's tank, this morning, and am of opinion that the amount asked for by the municipality, viz., Rs. 2,000, is one which the Military authorities may fairly be asked to pay as a contribution towards the deepening of No. 3, Miller's tank.

No. 3890, Military.

Forwarded to the Public Works Department for favorable consideration.

(By order.)

(Signed) A. KENNEY-HERBERT, Brigdr.-Genl.,
Secretary to Government.

From the Examiner, Public Works Accounts, dated 29th June 1889, No. 914.

It is not clear whether under Public Works Code para. 1140, note 1, it is competent to Government to appropriate Imperial Military funds for the improvement of a municipal tank, and I think the safest course would be to refer the matter to the Government of India.

ORDER—dated 8th July 1889, No. 1809 W., Public Works.

Ordered that the sanction of the Government of India be requested to a grant of Rs. 2,000 from Imperial funds, Military works, as recommended in the Quarter-master-General's letter.

(Here enter No. 1810 W., dated 8th July 1889.)

(True Extract.)

Miller's Tank, Bangalore

Requesting sanction to a grant of Rs. 2,000
from Imperial funds for deepening —.

Form No. 7 B.

HEADING *Communications.*
Water Supply.

It is requested that the heading,
number, and date of this commu-
nication may be quoted in any
subsequent correspondence on this
subject.

From

BRIGADIER-GENERAL M. PROTHEROE, C.B., C.S.I.,

QUARTER MASTER GENERAL,

To

THE SECRETARY TO GOVERNMENT,

MILITARY DEPARTMENT.

SIR,

*In forwarding correspondence as
Letter No 352 dated 1st June 1889 from per margin, upon the subject of
General Officer Commanding Bangalore
District to Quarter Master General Ootacamund, deepening Miller's tank at Bangalore,
with enclosures. with a view to improving the
water supply in that part of the town which so
includes the lines of the 12th and 26th Madras
Infantry, I have been desired by the Com-
mander-in-Chief to say, that as any scheme
for the supply of water to the Civil and
Military Station generally of Bangalore, will
probably not be carried out for some time
to come, His Excellency approves of the work
now suggested, and accordingly recommends
the proposal that half the expenditure on it,
viz: Rs 2,000, should be borne by the Military
Department, the amount being debited against*

the Imperial Military Works Budget for 1889/90.
Part I, class B works item No 4.

I have the honor to be
Sir
your obedient servant
M. P. W. B. Brig. Genl.
Quartermaster General
Gd.

BANGALORE, 1st June 1889

From

Lieut. Col. H. E. Auchinleck. R. H. A.
MAJOR GENERAL HUGH ROWLANDS, V. C. C. E.

Commanding Bangalore Division Dist.

To

The Quarter Master General
Potalamund.

Sir,

In forwarding the accompanying
letter No. 75 of the 24th Ultimo from the President
Bangalore Municipality, I have the honor to
recommend for favorable consideration, his
application for a sum of Rs. 2,000, as the
contribution by the Military Authorities
towards the deepening of No. 3 Miller's
Tank—

2. From enquiry, it appears that a

sum

sum of Rs. 4,000/- will be required for the work,
and as the 12th and 25th Regt. M. I. (repre-
= senting 4679 souls) are almost entirely
dependent on the Tank for their water
supply, I consider the amount now asked
for, is one which Government might fairly
be asked to contribute. —

A letter from the Executive Engineer
giving his opinion on this point, is attached. —
