I writes "Where are to be
found the orders that
when land is acquired
by this department
it shall be demarcated

cut on them (the
original orders were
the P.W.D. should be

the orders which were
issued I think in

Col Hasted's time
but cannot trace
them from the indices.
Will you kindly

have a search
for them at Madras.

OFFICE NOTE.

From J^e 5815

To W

It seems to me very
advisable that the
demarkation of land,
acquired by this Dep^t
should be laid down
in the Code - and I
would propose that
the order in the P. S.
Circular Memo - Hewith
should be codified -
with an addition to the
effect that every statute
which provides for
"Compensation for land"
shall also contain a
provision for demarkation
if it is accorded with
rules. It was only in the
way that I found I could
set the matter kept in
mind -
