OFFICE OF THE SUPERINTENDING ENGINEER,

No. 2187C

From Lt. Col. A. Smith R.E.
The Superintending Engineer,
6th Circle.

To The Chief Engineer

1832

Sir,

ENCLOSURES.

The Superintendent of Police, Trinopolis District, has recently made over to this Department the old station house at Kannanore and Police huts at Mungalam. The buildings appear to have been erected by the Police Department, and they are not borne on the Returns of this Department; nor is their cost known.

2. The Collector has applied for the station house to be made over to his Department for use as a village Chavady. I see no objection to this proposal, and have accordingly intimated to that Officer, thro' the Secy. Engineer. This building is valued at Rs. 370.

3. The huts at Mungalam are reported to be not worth anything, and that

that they may fetch a sum of Rs 25, if
sold in public auction, provided the
competition is keen.

4. I have the honor to request sanc-
-tion of Government to the transfer of the
Station House to the Revenue Department,
and the sale of the huts in public
auction.

I have the honor to be
Sir
Your obedient servant.

A. Smith Esq. M. A.
