W.

Colonel H.M. Vibart has already had special leave on urgent private affairs under Civil Leave Code section 6I from 10th. November 1888 to 4th. May 1889 and cannot take such leave again for about 3 years.

2. Possibly Colonel Vibart refers to the special leave admissible under the resolution of the Government of India communicated with G.O. No. 2341 W dated 22nd. October 1887, but leave of this description cannot apparently be granted by the Madras Government, whether in continuation of ordinary furlough or otherwise.

Handwritten signature and initials, possibly "H. M. Vibart" and "D. 17/6".

Read the following:—

Letter from Colonel. H. M. Vibart of 28<sup>th</sup> May 1889.Office Note from the Examiner P. W. Accounts No. 835 of 17<sup>th</sup> June 1889.FOR ORDERS.

The Govt of India have already, if I am not mistaken, ruled on Col. Vibart's memorial that not being a Superintending Engineer, he is not entitled to special leave of the kind described in Resd 8 Oct 87, 164940 &c. This being so, I do not think that we should be justified in again addressing the Govt of India. I agree that it would be to the advantage of the Public Service that Col. Vibart should go. The Govt of India would not grant the leave unless we took one of their surplus officers probably a Sup<sup>r</sup> Engineer, & that would not be for our advantage. I should prefer to keep Col. V. as a Superintending Engineer to take up changes in that capacity. Put up the idea on Col. V's memorial & send the papers to S.E.

Whether application be made to the Govt of India for sanction to the 6 months special leave applied for by Colonel Vibart his services can be spared on the arrival of Mr. J. D. Grant in July next - There will be no necessity for the transfer to Madras of any officer from the surplus available with the Govt of India.
