Copies forwarded to the
Assistant to the Chief Engineer for disposal.
If there is likely to be any delay in

recommends that S. S. Subramania Sastry

Party of No 11, retain that position
pro. tem. receiving an appropriate salary.

an Overseer is likely shortly to be sent

Enclosures. 1

Sir,

I have the honor to enclose
copy of endorsement No. 38 dated
20th June 1889, received from the
Executive Engineer Nos. III & VI Parties,
Tank Restoration Scheme, and
to request that you will appoint
another Temporary Overseer in the
place of Mohammed Secunder
resigned.

2. The appointment should
if possible be made to Nos. III & VI
Parties so as to leave the power
of posting and transferring in the
hands

hands of the Executive Engineer.

3. If there is likely to be any delay in filling this vacancy, I have the honor to request that under Code para 790 you will authorize the grant of an imprest of Rs 60 to Temporary Surveyor J. S. Subramania Sastri.

4. I would recommend that no security be taken. The amount of the imprest is small and it is only intended to save delay in paying salaries and for petty expenses.

5. I would also draw your attention to the fact that C. S. Subramania Iyer appointed in your No 2613 C. dated 3rd June 1889 has not yet joined and to request that steps be taken to ensure his joining at an early date.

6. It would be convenient if this Overseer be also appointed to St. III & VI Parties. He is now

1844
appointed to St. VI Party and the Executive Engineer wishes to post him to St. III Party.

I have the honor to be,
Sir,

Yours most obed^t Serv^t
