GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following paper:—

From Colonel H. M. VIBART, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Coonoor, 14th June 1889, No. 262-E.W.

With reference to para. 2 of G.O., No. 409 W., of 13th February 1889, I have the honor to submit plans and valuation estimate, amounting to Rs. 1,440, of the house at Vayitri occupied by Sergeant Instructor, Wynaad Company of the Malabar Volunteer Rifles, together with an estimate of Rs. 475 for necessary repairs to put the building in order.

2. There appears to be some trifling mistakes in the valuation estimate under the head "Roofing with machine tiles;" this cannot now be very accurately checked in the absence of an end elevation in the plan, but on this account I am sure the valuation will not to any appreciable extent be affected.

3. The amount for which the Basel Mission is willing to part with the property, viz., Rs. 1,500, is considered fair, and in fact the Executive Engineer's valuation (Rs. 1,440) does not considerably fall short of it.

4. In these circumstances, I have the honor to request that you will be good enough to obtain a grant of Rs. (1,500 + 475) 1,975 to meet the cost of the purchase of, and repairs to, the building under reference.

ORDER—dated 11th July 1889, No. 1845 W., Public Works.

In G.O., No. 409 W., dated 13th February 1889, the purchase of the building at Vayitri occupied by the Sergeant Instructor of the Wynaad Company of the Malabar Volunteer Rifles was approved and the Superintending Engineer, IV Circle, was directed to submit a valuation estimate. With his letter above recorded the Superintending Engineer submits the estimate, which amounts to Rs. 1,440. As this valuation does not considerably fall short of the amount, Rs. 1,500, for which the Basel Mission is willing to part with the property, the necessary steps may be taken to effect the purchase of the building for the latter sum.

2. The Superintending Engineer also submits an estimate of Rs. 475 for the necessary repairs to the building and classes it as Repairs, special. As under para. 909 of the Public Works Code all repairs to newly purchased buildings required for bringing them into use should be classed as Original Works, the necessary alteration has been made in the estimate.

3. The total cost of purchase and repairs is Rs. 1,975, which must be debited to the Minor Works grant under Military. The budget grant of Rs. 15,000 for minor new works under that head was placed at the disposal of Officers Commanding Divisions and Districts, and Rs. 3,000 only thereof fell to the share of the General Officer Commanding the Southern District. As a large portion of this grant has probably been utilized already, the sum of Rs. 1,034 placed at the disposal of Commanding officers in para. 2 of G.O., No. 1636 W., dated 22nd June 1889, will be transferred

to the work, and the Officer Commanding the Southern District will be requested to provide the balance Rs. 941.

4. The estimate of Rs. 475 will be returned to the Superintending Engineer for sanction.

Current No. 5446 1888

Letter No. 262 E.M.

Dated 16th June 1889

From the Supdg. Engr. IV Circle

NOTE OF REMARKS.

With reference to para 2 of G.O. 6040 dt 13th July 1889, the Supdg. Engr. IV Circle submits a valuation Statement amounting to Rs 4460 with plans of the house occupied by the Sergeant Instructor of the Malabar Volunteer Rifles, together with an Est: amounting to Rs 475 for necessary repairs to put the building in order.

It is stated that there appears to be some trifling mistake in the valuation Statement made the want of Roofing with tiles

ties", and that it cannot be satisfactorily checked without an end elevation of the building; but S.E. states it will not affect the valuation to any appreciable extent —

It is further stated that the Basel Mission expect Rs 1500 for the house which is considered a fair price, and not much above the valuation placed on it by the E.E. Sanction therefore is requested to (Rs 1,500 + 475) = Rs 1,975

The rates as far as can be checked are fair —

The Est: has not been passed through the Military Dept:

The annual Charge of this building 25/6 would be Rs 180 or per Measure 84 — Rs 15 —
