Read—the following letter from H. ST. A. GOODRICH, Esq., Collector of Bellary, to the Secretary to Government, Revenue Department, through the Board of Revenue (Land Revenue), dated Bellary, 6th July 1888, Ref. on Mis. Eng. No. 2243/1436.

I have the honor to submit for sanction an estimate for Rs. 9,775 for constructing a new subsidiary jail and making certain improvements to the taluk cutcherry at Hospet.

2. The principal want of the office is space. There is no room for record, and this want is aggravated by the arrival of village survey maps. To supply this want it is proposed to build separate cells for prisoners outside the cutcherry and convert the present locks-up into record-rooms.

3. It is also proposed to remove the police station-house which is now located in the cutcherry to the old kitchen, which is proposed to be converted into two rooms, one for the station and the other for the custody of unclaimed property. It is considered necessary that there should be two additional wards for police prisoners. The Police Superintendent, to whom the question was referred, concurs with me. I also consider that a well is an absolute necessity. The plan now submitted has been prepared at my request to meet the above requirements.

4. Copy of the Superintending Engineer's letter No. 666, dated 2nd July 1888, follows.

Resolution—dated 16th July 1888, Mis. No. 4291.

The plan and estimate for constructing a new sub-jail and making certain improvements to the taluk cutcherry at Hospet at a cost of Rs. 9,775 are submitted for the sanction of Government and for provision of funds in the Public Works Department budget.

2. The improvements proposed are detailed by the Collector.

NOTE OF REMARKS.

The Estimate under review amounting to Rs 9,775 provides for constructing a Subsidiary Jail & out buildings, and for certain improvements to the Taluk Office at Hospet in the Bellary Dist:—

The Estimate is divided as follows

Subsidiary Jail	Rs 8,664
Kitchen —	" 612
Compound wall —	" 87
Well —	" 362
Improvements to Taluk Office —	" 50
Total Rs:	9,775

The Est: was prepared at the request of the Collector of Bellary & is not in accordance with the Standard design—

The particulars of construction are as follows —

The foundations of the main & out buildings are to be of burnt stone in mortar, the superstructure is to be built with hammer dressed stone in mortar and pointed on both sides

The compound wall is to be built entirely of burnt stone in mortar —

Terraced roofing is to be used for the main building with the exception of the verandahs which will have Bengal terracing — The timber in the roof of the main building will be teak, in that of the kitchen venteak with a tiled roof. In both cases the scantlings are concep-

The flooring will be partly concrete 3" thick and partly stone slabs laid on a bed of concrete —

The doors and windows will be of teak and painted, the roof framing will be wood oiled —

The report is very meagre, and the ground level marked on one of the plans seems incorrect, as raising is necessary which is not provided

The following rates are in excess of the rates given in the Northern Sub Dn of the Bellary Division —

(1) Roofing Tuckabunee - Rs 34 per Sq. against Rs 30 —
(2) Flooring with granite slabs Rs 16 per Sq. against Rs 12 —
(3) Painting Rs 3 per Sqre against Rs 2-8 —
(4) Plastering two coats of Chunam Rs 5-2-.. against Rs 4-4-..

If the schedule rates are adopted

there will be a saving of Rs 160 in the Est:—

A lump sum of Rs 50 is provided in the Est: for alterations to the Cutcherry.—

The plan & Est have been countersigned by the Collector and approved in the Judicial Depts:—
