Kodak Canal 20 April 89

From

Colonel J. Cunningham R.E.,
Superintending Engineer,
Punjab Project Works.

To

The Chief Engineer,
P.W. Department.

Encls:—

Sir,

I have the honor to report that
Mr. A. J. MacKenzie, Executive Engineer,
(Temporary rank) has handed over his
charge of the I Punjab Division to Mr.
L. L. Wickham, Assistant Engineer,
on the afternoon of the 3rd Instant
and availed himself of the privilege
leave for one month and ten days
commencing from the forenoon of the
8th Instant.

2. Mr. Wickham, Assistant Engineer,
has finally given over charge of the
Division to Mr. C. B. Target, Executive
Engineer,

Engineer on the afternoon of the 12th Inst

3 I am not sure that Mr Mackenzie's
action in handing over charge of
the Division to Mr Wickham was
strictly correct, but the transfer was
little more than a formality, and
he was naturally anxious to avoid
the journey to Maidura and back,
as he proposed to spend part of his
leave in the Puijar Valley.

I have the honor to be,

Sir,

your most obedt^t St,

James G. Collett.

Supg Engr. Puijar Depot.

SIR

With reference to Examiner's List of Disallowances dated 9th May 1889 retrenching Mr. Asst. Engineer Allen's Travelling allowance for 4 days in December 1888, I have the honor to request the sanction of Government to his having joined his Sub division at Manautaddy instead of Head Quarters Vayitri from which he started.

2. There was no reason why he should not have left the Sub Division apparently at Manautaddy as he went on leave in that

that direction and having to come
back that way and some work
at Manantoddy it would have
been loss of his time making for
Vayiti and coming back thirty
miles through Wynaad where tra-
velling is by no means rapid
or easy to see his Manantoddy
work.

I have the honor to be
