Sir

I beg to solicit
your kind permission
to enable me to apply
for the vacancy of
Engineer to the
District Board of
Salem, which post
is now advertised.

A former application of mine, soliciting permission to apply for the vacancy then existing in Chengleput and Mellore, was refused on the ground, that a lien on my present permanent appointment in the R. W. D. could not be granted, in case I was appointed as Local Fund Engineer, and further, that I must be prepared to leave the service of Government if I should accept any such appointment. vide 10/13 Sept.

1878

No 116 C of 11-1-89.

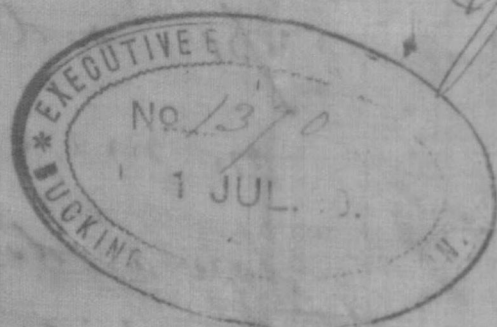

After a service of 22 years in the R. W. D. this order was rather hard, and I earnestly solicit a reconsideration of it. I solicit a transfer of my service to the Board, retaining my present position in the Dept. - A lien on this will enable me at any future period to retire on my pension, towards which I shall contribute the necessary amount, during my service in the Board. My object is, to secure an appointment which will materially better my prospects.

the chances of promotion
in the Dept., with the
present block, being
very remote indeed,
and if you can see
your way to help
me in this matter,
I shall feel very
grateful.

I beg to remain
Sincerely

Yours most obediently

R. J. Smith
Sub Engineer

For order.

Mr Bond has done
very good work on the
Buckingham Canal
during the last 8 years,
and in appointing him
to the post of L. F. Engineer
I consider the District
Board will secure a
most hard working &
faithful officer. I
would recommend that
he be allowed a lien
on his permanent
appointment in the
P. & B. Department in
any case he secures
the post now to be ap-
plied for. Mr. Cormac
who held the appoint-
ment has had to vacate
it owing to ill health.

From Mr. H. M. Bond, Sub-Engineer, N. Sub. Div. Buckingham Canal, June 29, 1889
Endt by the Executive Engineer Buckingham Canal Div. No. 612 of 1st July 1889.

FOR ORDERS.

Col. Mead's memorandum of 11 Jan 1889 was issued, I think in pursuance of a general order which is not put up. The principle asserted is at any rate in my opinion sound & useful, and was approved by me at the time Mr. Bond apparently wants to be transferred to local service, ~~transferring~~ obtaining a lien, and contributing to pension. Under articles 819 & 806 (i) Civil Service Regulations this is inadmissible. The application must I think be rejected.

The Court is not
prepared to give Mr.

falls under Sections

Civil Service Regulations,
and not in the public
