READ—the following paper:—

Proceedings of the Board of Revenue (Land Revenue), dated 25th June 1889,
Mis. No. 3774.

THE HON. J. GROSE, M.A.,

Read—the following letter from H. SEWELL, Esq., Collector of South Arcot,
to the Secretary to the Commissioners of Land Revenue, dated Tindivanam,
19th June 1889, Ref. on Reg. No. 3481-Eng.:—

I have the honor to state that an extent of land, measuring acres 11.97, situated in the villages of Peria Gangananguppam, Udara Manickam, Manjakuppam and Tirupapuliyur, of the Cuddalore taluk, is urgently required for public purposes, to wit, brickfields and approaches to the Ponniar and Gadilam bridge works, and the Executive Engineer in charge has applied to me for their early transfer. The parties concerned are not willing to part with their lands except at exorbitant rates both for land and the trees standing thereon. The Assistant Collector and the Tahsildar have, however, expressed their inability to get them to agree to reasonable terms and recommend resort to the Act. I have no doubt that the parties want to make capital out of the necessity for the acquisition and are not likely to accept any terms except their own. I have therefore the honor to forward herewith a draft notification for submission to Government and publication in the next issue of the *Fort St. George Gazette*. I also request that the officer in charge of the Assistant Collector's division may be authorised, under section 7, to take order for the acquisition of the land.

Resolution—dated 25th June 1889, Mis. No. 3774.

Submitted to Government for approval and publication.

2. As the lands are stated to be urgently required, the Board would suggest the addition of a clause to the draft notification providing for action being taken under section 17.
