27TH MAY 1889, No. 1400 W., PUBLIC WORKS.

1922

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers:—

From W. HUGHES, Esq., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 30th March 1889, No. 3 T.J.

I have the honor to state that the old Police hospital and garden at Tranquebar in the Máyavaram taluk of the Tanjore division are not now in use, and that the heads of departments in the district, including the District Surgeon, do not require the building. I request, therefore, sanction to sell the building and garden attached to it by public auction.

2. The building is borne on the registers under Provincial and its value is put down at Rs. 2,000. It is built of brick-in-mud with tiled roof; its external dimensions are 40 feet in length and 29 feet in breadth.

3. The area attached to the building is 89,973 square feet as given below:—

	SQ. FT.
Garden	68,594
Tank in garden	11,000
	79,594
Compound	10,379
Total ...	89,973

4. I take also the opportunity of requesting to be informed whether the above property is to be sold by this department, or by the Revenue Department under para. 1273 of the Public Works Code. Again in case of a building with site being sold by this department, what kind of sale-deed or document is to be given to the purchaser? On this point the Public Works Code affords no information.

No. 1785 C.

For favor of early report in regard to para. 4.

(Signed) W. L. C. BADDELEY, Captain, R.E.,
Dy. Chief Engineer, P.W.D.

6th April 1889.

From the Examiner, Public Works Accounts, dated 12th April 1889, No. 477.

MEMORANDUM.

No. 2042 C.

With reference to his letter No. 3 T.J., dated 30th March 1889, the Superintending Engineer, VI Circle, is requested to report whether the site on which the old Police hospital at Tranquebar stands could not with advantage be utilised; if so, it might be advisable to sell the building for dismantlement.

2. The Superintending Engineer will no doubt be able to ascertain the probable price the building, site and attached grounds would realise if sold by auction, and also the amount the building only would fetch if sold for dismantlement.

3. It is not always advisable to sell the site on which a building stands simply because the building itself has become useless and it is desirable to dispose of it.

(Signed) R. R. E. DRAKE-BROCKMAN, Lt.-Col., R.E.,
Ag. Chief Engineer, P.W.D.

26th April 1889.

Letter from A. H. GARRETT, Esq., Executive Engineer, Tanjore Division, to the Superintending Engineer, VI Circle, dated 9th May 1889, No. 1714.

In reply to your No. 207 T.J., dated 1st May 1889, I have the honor to inform you that if the building was sold as it stands for dismantlement, it would probably realise Rs. 65.

2. If the building with the land attached to it was put up to auction it might fetch Rs. 500.

3. The site is surrounded by native houses and has little to recommend it.

No. 301 T.J.

Copy submitted to the Chief Engineer, Public Works Department, for orders with reference to his No. 2042 C., dated 26th April 1889.

2. It appears advisable to sell the building (old Police hospital at Tranquebar) with the site.

TRICHINOPOLY,
11th May 1889.

(Signed) W. HUGHES,
Supg. Engineer, VI Circle.

ORDER—dated 27th May 1889, No. 1400 W., Public Works.

The sale of the building with the site is sanctioned, but a reserve price of Rs. 450 should be put upon it.

2. The sale will be carried out by the Revenue authorities, who will in future conduct all sales of Government land.

3. The word "ordinarily" will be eliminated from para. 1273 of the Public Works Code.

on the 13th April/89 as per copy of notification enclosed. but he had no bids although he Tom Tomed the notice at Raghudevapuram & Rajahmundry and also sent written notices to several villages round about the former place.

2 On receipt of Sub Division Officer's report No. 16 of 13th April/89 to this effect I ordered him in my Nos. 32/17-4-89 & 48/9-5-89 to put it up again to auction within a month also at Rajahmundry.

1927

He did accordingly on the 27th & 30th May/89 & on 1st June/89 but he could get no bids as reported in his No. 60 of 3rd June/89

3 The Sub Division Officer states that he thinks that if the building is resold with the site on which it stands it would fetch a fair price and that it is what the bidders said.

4 I request therefore your instructions on the subject.
