Extract from
Copy of a communication from The Superintendent of Post Office
Coimbatore to the Postmaster General, Madras.
dated 7th June 1889, No. 260 1/23

[923] A shed substantially built with a tiled
roof, and belonging to the Public Works Department
was recently transferred to the Revenue Department.
This Department has no special use for it, and as it
adjoins the Post office building at Tiruppur, which is situ-
ated about a mile outside the town, near the Rail-
way station, I asked the Collector Coimbatore,
whether he has any objections to the building being
used as a runner's hut. He has in his No 346 dated
2nd May '89 accorded his sanction to our taking
over the shed unconditionally.
