Camp Estacannu 5th July 1889.

Colonel A. M. Vibart, R.E.,
Supg. Engineer, 4 Circle,

The Chief Engineer,
P.W. Department.

The Collector & President, District
Board, Nilgiris, requests that a cul-
vert estimated to cost Rs 25 on the
Kullar Gudalur Road may be
constructed by this department in
connection with the private diversion
of water from the Government channel
running along the side drain of the
Gudalur bazaar street and I have
therefore the honor to request that you
will be good enough under paragraph
1339 of the P.W. Code, to obtain the
sanction of Government for the
work in question being executed
by

by the department.

2. I beg to forward for your information copy of the agreement which Messrs. Ellia Sait & sons have entered into with the Collector and President and to state that the firm has paid the required sum viz: Rs 25.

I have the honor to be,
Sir,

Your most obedient servant

Murphy Sait (Colonel R.E.,
Supg. Engineer, H. Circle.

Permission is hereby granted to Ellia Sait and sons of the village of Gudalur to divert water from the Government channel running along the side drain of the Gudalur Bazaar street, by means of a channel at a point 40 yards above the place where the stream now leaves the road till it enters their property bearing settlement No. 194 in Gudalur Desam, Namkalacode amsham, provided a culvert for carrying the water under the road is constructed at their expense by the P. W. Department.

2. No more water than will pass through a three inch pipe is to be thus diverted. A masonry sluice shall be constructed at the mouth of the channel with a regulating shutter admitting the flow of the above quantity of water.

3. A channel shall be made & kept in serviceable order by Ellia Sait

Sait & sons to conduct the water back again into the parent stream, & they shall also carry out any works which the Collector may think necessary for the safety of the adjacent public works.

4. This permission can be withdrawn at any time without claim to compensation for loss or improvement on the part of Elia Sait and sons.

5. It is to be distinctly understood that the concession herein made is subject to such further modifications as may from time to time seem necessary to the Collector under the orders of the Board and Government, and that the channel shall be open to the inspection of Revenue & other officers of Government at any time.

Dated this 15 day of May 1889.
