Chapter I, para. 9.—Add the following as Note 7 :—

—The pay to be drawn by Officers of Royal Engineers, who have elected for continuous service in India under the conditions laid down in the Royal Warrant of 20th February 1886, when placed on the *retired list* and when placed on *half pay*, is regulated as follows:—

(I.)—An Officer serving in a Civil Department, on being placed on the *retired list*, but retaining his departmental appointment, will continue to draw the pay which he was then drawing; but on promotion to a higher grade in his Department, he will be limited to the consolidated pay of his departmental rank, provided this is not less than the pay he was in receipt of before promotion; otherwise, a personal allowance sufficient to raise it to that amount will be granted.

The term "*retired list*" includes "removal from regiments or corps" in the terms of the Royal Warrant of 20th February 1886.

(II.)—An Officer placed on the *half-pay* list shall not in any way be affected in the matter of salary: that is, he will draw the staff or consolidated pay of his departmental grade as before and the military pay and allowances, or net military pay; as the case may be, of his substantive half-pay rank in the corps.

Chapter V, para. 9.—Add the following as a sub-

This order, however, does not apply to officers placed on the half-pay or retired list under the Royal Warrant of 20th February 1886; they are permitted to retain their appointments in the Department, and no special provision in their cases is needed.

With reference to standing order No. II7 of 29th. June 1888 to the Government of India Code, volume I, introducing note 7 to para 9, chapter I regulating the pay of Royal Engineer officers who have elected for continuous Indian service, when placed on the retired list and on half pay, please ascertain the meaning of the expression "substantive half pay rank in the corps" as used in the last line of clause II of the standing order. I understand it to be the rank of Major but it is not quite clear. It would seem simpler to state plainly that the pay to be drawn is that of a Major, or that of a Lieutenant Colonel, whichever is meant.

Sir,

In reply to your letter No. 1641 of 22nd June 1889, I am directed to state that, the rule in Public Works Department Code Chapter I paragraph 9, note 7, applies to the case of an officer promoted to the rank of Lieutenant Colonel on the half pay list, and that his Military rank referred to, is that of Lieutenant Colonel, that is, say, the officer should be treated entirely as if he were
