Order—dated 20th July 1889, No. 1959 W., Public Works.

As it would appear that amalgamation of the Western and Central divisions of the Godávari will shortly be practicable owing to the approaching completion of the project works now in hand, His Excellency the Governor in Council directs that such amalgamation be carried out with effect from the beginning of the ensuing official year. The Central division will then become a sub-division of the Western division.

OFFICE NOTE.

From Sd

To Wr

The number of officers employed in S.P. Dn. recently been reduced from 4 to 3. I would recommend that at end of official year the Central Div. Godavari (now a temporary division) should become a sub div. of the Western division. I believe that if possible it would be advisable to reduce our Establishment by retiring one of the Supdg Engrs —

2 Sd 11/7/89

+ a further reduction before long is possible. Ideal probable —

The amalgamation of the Western & Central Divns. of Godavery can certainly be carried out, as the Projects under those Divisions have well nigh been now completed.

I would recommend that those G.P.I. Executives which have not been taken up for a definite period be got out of hand within the next 6 months we shall be having back 5 of our senior Executive with no prospect of any taking leave on their return —
