22ND JULY 1889, No. 1966 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following papers :—

From Colonel ROSS THOMPSON, R.E., Executive Engineer, Presidency Division, to the Superintending Engineer, V Circle, dated Bangalore, 4th June 1889, No. 300 S.E.

I have the honor to submit the following case for the favor of your orders.

2. On the 29th October 1888, the Barrack Master wrote to this department to say that as a portion of No. 3 Family Range, Parade Barracks, Bangalore, had been set apart for occupation by the Apothecaries attached to the North Station hospital, under orders from the Commander-in-Chief, the Apothecaries living in quarters hired by this department were to be directed to occupy the Government quarters from 1st November 1888, after which date he would be unable to grant the prescribed certificate that no public quarters were available.

3. On receipt of this communication this department issued the usual one month's notice to the landlords of the hired quarters—

- (1) Mr. Thomson, landlord of house occupied by Apothecary Debnam.
- (2) Mr. Marlam, landlord of house occupied by Apothecary Aitkins.

The notices were dated the 10th November 1888, so that this department is liable for rent up to 10th December in each case. The landlords have submitted their claims, but they cannot be disbursed as the printed form of house-rent bill in use provides that it should be signed (1) by the local head of the department concerned (the Senior Medical officer in this case) in token that the subordinate was provided with hired quarters for the period for which the claim is made, and (2) by the Barrack Master in token that no suitable public quarters were available for the individual occupying the hired building. This certificate the Barrack Master declines to give, and the Examiner, Public Works Accounts, will necessarily raise objections if payment is made without this certificate.

4. As this department is liable for rent up to 10th December whether the houses were occupied or not, I would suggest that special sanction of Government be obtained to the disbursement of rent without the usual certificate as required by rules.

No. 2017.

Submitted to the Chief Engineer, Public Works Department, for sanction, as a special case, to the charges on account of house rent of the two Apothecaries of the North Station hospital, Bangalore, being paid by this department, at the rate of Rs. 30 and Rs. 40 respectively a month, up to 10th December 1888, under the circumstances reported by the Executive Engineer.

2. I would suggest, with a view of preventing similar cases in future, that the attention of Military authorities should be directed to the Barrack Master's procedure and to the impossibility of giving reasonable notice to quit to the landlords, in the time allowed in the Barrack Master's notice to the Executive Engineer.

22nd June 1889.

(Signed) W. H. BURTON, Col., R.E.,
Superintending Engineer, V Circle.

Office note from the Examiner, Public Works Accounts, dated 13th July 1889, No. 990.

ORDER—dated 22nd July 1889, No. 1966 W., Public Works.

In the circumstances stated, the payment of rent for the period from 10th November to 10th December 1888 is sanctioned.

2. It will be considered in the Military Department whether measures can be adopted to insure timely notice being given to the Public Works Department when hired quarters are likely to be vacated. In this case only two days' notice was given.

3. It is not understood why, when the Barrack Master's letter was dated 29th October 1888, the notices to the landlords were not issued until the 10th November 1888.

No. 3005-2.

Madras, D. P. H.

Bangalore 4 June 1889.

From The Executive Engineer,
Presidency Division,
To The Superintending Engineer
T. Circle

Sir,
I have the honor to submit the
following case for the favor of your
orders.

On the 27 October 1888, the Barrack
Master wrote to this Deptt. to say
that as a portion of No. 3 Family Range,
Parade Barracks, Bangalore had been
set apart for occupation by the Apothecaries
attached to the North Station
Hospital, under orders from the Com-
mander-in-Chief, the Apothecaries
living in quarters hired by this Deptt.
were to be directed to occupy the
Government quarters from 1st Nov-
1888 after which date he would be
unable to grant the prescribed certi-
ficate that no public quarters were
available.

On receipt of this communication
this Deptt. issued the usual one month's
notice to the landlords of the hired
quarters.

1. Mr. Shannon, landlord of house
occupied by Apothecary Debnam

2 Mr. Marlans, landlord of house
occupied by Apothecary Atkins.
The notices were dated the 10 Nov. 1888 so
that this Deptt is liable for rent up to
10 December in each case. The landlords
have submitted their claims, but they cannot
be disbursed as the printed form of
house rent bill in use provides that it
should be signed (1) by the local head
of the Department concerned (the senior
Medical Officer in this case) in token
that the subordinate was provided with
sired quarters for the period for which
the claim is made and (2) by the Barrack
Master in token that no suitable
public quarters were available for
the individual occupying the sired
building. This certificate the Barrack
Master declines to give and the Examiner
of Accounts will necessarily raise
objections if payment is made without
the certificate.

As this Deptt is liable for rent
up to 10 December whether the houses
were occupied or not, I would sug-
gest that special sanction of Govern-
ment be obtained to the disburse-
ment of rent without the usual
certificate as required by rules.

ment at the rate of Rs 30 & Rs 40
respectively a month up to 10 December

To W.

There appears no alternative left but to sanction the payment of rent under the circumstances explained by the Executive Engineer Presidency Division for the period from 10th. November 1888 to 10th. December 1888.

2. I beg to suggest however that the attention of the military authorities be drawn to the case with a view (if possible) to adoption of measures for giving the Executive Engineer timely notice of coming vacation of hired quarters so that the necessary month's notice may be given to the landlord concerned.
