14TH AUGUST 1888, No. 2469 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers:—

Proceedings of the Board of Revenue (Land Revenue), dated 14th May 1888,
Mis. No. 3022.

HON'BLE W. S. WHITESIDE.

Read—the following letter from S. H. WYNNE, Esq., Acting Collector of South
Canara, to the Secretary to the Commissioners of Land Revenue, dated
Mangalore, 30th April 1888, No. 1573.

I have the honor to forward, for transmission to Government, plan and estimate
for the new taluk cutcherry at Coondapoor,
together with a copy of the Superintend-
ing Engineer's letter.*

*Dated 10th April 1888, No. 122 M.

2. Sky-lights will be necessary as the monsoon tatties will shut out most of the
light at doors and windows, but as there is provision for sundries and contingencies,
the cost can be met from this, and it seems unnecessary to return the estimates for this
purpose. A public latrine is hardly necessary, as there is a Local Fund latrine close
by. If it is omitted, the cook-room can be moved to its site behind the jail, which is
a better position than that now assigned.

Resolution—dated 14th May 1888, Mis. No. 3022.

The fresh plans and estimates for Rs. 35,010 for a new taluk cutcherry at
Coondapoor are submitted for the sanction of Government with reference to G.O., dated
29th August 1887, No. 5142.

2. The Collector states that the public latrine, provided for in the estimate, is not
required, as there is a Local Fund latrine close by, and that the cook-room may be
built at the place intended for this latrine. If the former proposal is approved, there
will be a saving of Rs. 1,240 on the estimate.

Ag. Secretary.

No. 3742, Revenue.

Transferred to the Public Works Department, with the remark that under G.Os.,
dated 7th June 1888, No. 1681 W., and
20th September 1882, No. 2440 W.,† the
provision of a ryots' shed and sub-jail
latrine is unnecessary, and that the altera-
tions suggested by the Collector are approved. It is observed that the approximate
cost at Madras rates of a cutcherry on the new type-design is only Rs. 21,000. It is
not understood why the present estimate comes to Rs. 35,010.

OOTACAMUND,
27th June 1888.

(Signed) J. F. PRICE,
Secretary to Government.

Note by the Chief Engineer, Public Works Department.

Submitted for the sanction of Government.

The provision of a ryots' shed and sub-jail latrine being unnecessary, these items have been struck out of the estimate, reducing it from Rs. 35,010 to Rs. 32,950.

2. With reference to the remarks in the Revenue Department regarding the high cost of the building, it is observed that the approximate cost, Rs. 21,000, of a taluk office on the new type-design at Madras rates represents the cost of the main building only, whereas the present estimate provides for out-houses and subsidiary works, such as dismantling old buildings, levelling site, and constructing drains and sheds for storage of materials, &c. The rates on the West Coast, moreover, are about one-third more than those at Madras.

3. The Superintending Engineer should consider whether the concrete foundation offsets might not be increased to one foot from nine inches, the soil not being good.

4. The suggestions in para. 2 of the Collector's letter should be attended to in carrying out the work.

5th August 1888.

(Signed) J. O. HASTED, Colonel, R.E.,
Chief Engineer, Public Works Department.

ORDER—dated 14th August 1888, No. 2469 W., Public Works.

The estimate, amounting to Rs. 32,950, as reduced by the Chief Engineer, Public Works Department, for constructing a taluk office with out-houses at Coondapoor in the South Canara District, is sanctioned.

2. A sum of Rs. 6,000 has been provided for the work in the current year's budget.

3. Attention is drawn to the Note by the Chief Engineer, Public Works Department, above recorded.

4. The sanction accorded in para. 1 of these Proceedings has been registered as Provincial No. 65 W. of 1888-89, and classified as Civil Buildings, Original Works.

dated 10th June 1889, No: 2221. —*

*I have the honor to report that the occupation of the
present Taluk Kacheri building at Coondapoor having
become dangerous owing to the decayed condition of
its roof, the Tahsildar has been directed to move the
office into the Head Assistant Collector's office which is
the only building available for the purpose at that
Station. But the building contains no room fit for
use as a Treasury room, nor is there accommodation
in it for the Taluk records and the Subjail. The
Tahsildar has therefore been in anticipation of
Sanction ordered to adapt one of the rooms of the
Head Assistant Collector's office into a temporary
Treasury room and convert theiffin rooms of the
Head Assistant Collector's establishment and the
old munsiff's court into a Subjail and record rooms
respectively. The above alterations are estimated
to cost Rs 496-4-2 for which however no provision

a dangerous condition. This proposal is sanctioned.
3. With reference to para 2. the Board see no objection to the Head assistant collector providing accommodation for his office in his own bungalow and charging rent under Standing order No. 240A.

Order thereon, 11th July 1889, no. 4349

Recorded.

2. Orders will issue in the Public Works Department for the speedy execution of the Taluk office sanctioned in G.O. dated 14th August 1888, no. 2469 W.

has been made in the Budget. As the charge is under the circumstances unavoidable I have the honor to request that the Board will be pleased to permit the appropriation for the purpose of the amount of Rs 278/ provided in the Budget for the repair of the roof of the Subjail and outhouses at Coondapoor, and to sanction the balance of Rs 218-4-2 from the General Reserve of the Presidency.

Item no. 13 in the collector's list of petty construction and repairs Board's Proceedings dated 20th October 1888 no. 889 para 22

2. As the office building is otherwise occupied as stated above the Head assistant collector has no building for his office, and I therefore request that he may be permitted to find the necessary accommodation in his Bungalow when at Head quarters, under the conditions laid down in Rule II para 1 of the Board's Standing Order No. 240.

Resolution: Submitted to Government for information.

2. The collector proposes to incur from the sources pointed out an expenditure of Rs 496-4-2 for converting the Head Assistant collector's Office, in view to accommodate a portion of the Taluk office, parts of which are reported to be in

For orders with reference
to para 2 of the order in the
Revenue Department. The estimate
for the Salary Office amounts
to \$32,950. Last year, a sum
of \$4,000 was spent on the
work, and the current year's
allotment amounts to \$10,000.
It will thus be seen that less
than half the amount of
the estimate will be worked
out this year, even if the
full allotment is spent.

Is the work to be pushed
on more rapidly by leg transfer
of funds from some
other work?

The Provincial Reserve
has been distributed
and there are no funds
available from this
source.
