PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers.

From the Under Secretary to Govt. Public works Department 12th May
and 8th June 1889 Nos. 232 & 308 D.

Order. 12. July 189 No. 722

The returns are on the whole satisfactory,
but in North Arcot, where only 8 books out of 92 have been verified,
and Tinnevely (23 out of 138) better progress might have been made. The
return for the 4th Circle shows that all the books have been veri-
fied but the total number is not given. The Government trusts that
the verification has been a real one.

2. With reference to the remark against Nellore that
the services of lascars and messengers cannot be verified as their names
are not to be found in either the Cash books or salary bills, it should
be pointed out to the Executive Engineer that in such cases verification
should be made by means of affidavits of contemporary employes, these
affidavits, with any certificates or other papers that may support them,
being attached to the service books.
