GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following paper :—

From G. H. D. WALKER, Esq., Under-Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 2nd July 1889, No. 1895 G.

With Public Works Department Nos. 2829-G. and 130-G., dated 26th October 1888 and 16th January 1889, respectively, the Government of India in this department forwarded for consideration and report of all Local Governments and Administrations having railways under their control, and to the Consulting Engineers, Calcutta, Central Division and Lucknow, a note by Lieutenant-Colonel Leigh-Hunt, Superintendent of Family Payments and Pensions, Madras, on the above subject. With some exceptions the authorities consulted were generally in favor of the employment of military pensioners in the posts of watchmen, porters, peons, gatekeepers, burkundazes, &c.

2. It is also clear from some of the replies received that similar posts in the Buildings and Roads and Irrigation Branches of the Public Works Department could be properly filled by military pensioners.

3. The principal difficulty to be overcome is to place within the reach of those who make such appointments descriptive lists of the pensioners seeking for employment.

4. It was suggested at a divisional conference on the subject, held at Delhi under the presidency of Colonel Grey, the Commissioner, that the best way of securing the object in view would be for Commandants of regiments to send to Commissioners of divisions the particulars regarding retired soldiers residing in their divisions. This proposal was approved by the Punjab Government and by the Government of India; and it was further proposed that registers of candidates for employment thus compiled should be circulated to district officers and heads of departments, in order to enable them to apply for the services of any men they might require.

5. The several Local Governments and Administrations were also addressed by the Government of India * with the view of a similar procedure being adopted by them in the territories under their control.

* Military Department No. 924-B., dated the 1st April 1889.

6. I am to request that endeavours may be made systematically to employ military pensioners for such posts in all branches of the Public Works Department, and so far as possible on the Guaranteed Railways, and that Commissioners of divisions may be applied to for men suitable for such posts.

ORDER—dated 29th July 1889, No. 2031 W., Public Works.

Recorded with remark that systematic arrangements are in force in this Presidency for the employment, in civil capacities, of Native military pensioners.

(Here enter No. $\frac{2031 W.}{A}$ dated 29th July 1889.)

by the Government of India; and it was further proposed that registers of candidates for employment thus compiled should be circulated to District Officers and Heads of Departments, in order to enable them to apply for the services of any men they might require.

5. The several Local Governments and Administrations were also addressed by the Government of India* with the view of a similar procedure being adopted by them in the territories under their control.

6. I am to request that endeavours may be made systematically to employ military pensioners or such posts in all branches of the Public Works Department, and so far as possible on the Guaranteed Railways, and that Commissioners of Divisions may be applied to for men suitable for such posts.

I have the honour to be
SIR,
Your most obedient Servant,

W. H. Walcott
Under Secretary to the Government of India.
