31st JULY 1889, No. 2059 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT. 2059

Military Works.
Account.

READ—the following paper :—

From the Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 18th July 1889, No. 1399 M.W.

I am directed to acknowledge the receipt of your letter No. 1515 W., dated 7th June 1889, forwarding a copy of the Proceedings of the Government of Madras in which sanction is accorded to an estimate, amounting to Rs. 51,598, for renewing the roofs of the 36 quarters in the Ordnance lines at Madras, and requesting a special grant of Rs. 24,900, inclusive of establishment and tools and plant charges, for expenditure on the work during the current year.

2. In reply, I am to state that the Government of India regret they are unable to make any special allotment for the work. As, however, it seems necessary to undertake the reconstruction of the roofs at an early date, I am to request that efforts may be made to provide the funds by reappropriation either from the grants for original works or repairs. There would be no objection to the allotment of funds to this work from the grant for Ordnance works if the Director-General of Ordnance agrees.

3. I am at the same time to express the regret of the Government of India that the buildings in question should have been allowed to fall into such a state of disrepair as to make their condition dangerous. The statement attached to the letter from the Superintending Engineer, V Circle, No. 1341, dated 28th May 1889, appears to show that the expenditure on the repairs of these buildings for years past has been inadequate; and the explanation given by the Superintending Engineer in para. 2 of his letter does not seem to the Government of India wholly satisfactory.

ORDER—dated 31st July 1889, No. 2059 W., Public Works.

Communicated to the Superintending Engineer, V Circle, who will submit any further remarks he may have to offer on the subject of para. 3 of the letter from the Government of India.

2. The Director-General of Ordnance will be requested to state whether he is prepared to make an allotment for the work from the grant at his disposal.
