9TH JULY 1889, No. 424, FINANCIAL.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

Proceedings of the Government of India, Department of Finance and Commerce (Leave and Leave Allowances), dated Simla, the 25th June 1889, No. 3133.

Read—the following despatch from the Secretary of State for India, to the Government of India, dated 4th April 1889, No. 76 (Financial.)

I have considered in Council your letter, dated the 26th of February, No. 57, relative to the commutation of furlough with medical certificate to furlough without medical certificate.

2. You observe that it may in many cases be most convenient to the officer himself, being already in England, to take the furlough due to him in continuation of the furlough on medical certificate which he has already obtained; and you are of opinion that there would be a certain amount of harshness in the refusal of this concession when the officer's services are not really required in India.

3. You would therefore dispense with the condition laid down in my despatch of the 13th of December 1888, No. 327, for the commutation, *viz.*, that the officer should be required to show that, at the time he took furlough on medical certificate, he would have been granted furlough without medical certificate if he had then applied for it.

4. The object of the condition in question was to prevent officers who had preferential claims to furlough, under section 80 of the Civil Leave Code, being debarred for a considerable time from availing themselves of the furlough at their credit by officers with inferior claims, who had been granted furlough on medical certificate, remaining absent on leave after they had regained their health.

5. You do not refer to this point; but the object which I had in view can be attained if the Governments and Administrations in India are instructed by Your Excellency to bear in mind the rule in question when applications for extension of commuted furlough are referred for their consideration; and on this understanding I agree to your proposal.

6. It will, of course, be necessary that a special entry be made in leave certificates showing the amount of furlough at credit at the time of the officer's departure from India; and in all cases the officer will be required to produce the evidence of the consent of the authorities in India to an extension of his furlough, which is required by Rule 1 of section 78 of the Civil Leave Code.

Ordered, that copies of this despatch be forwarded to all Local Governments and Administrations for information; and also to the Comptroller and Auditor-General and to all Accountants-General and Comptrollers, the attention of these officers being specially invited to the orders contained in paragraph 6.

(Signed) E. LAWRENCE,  
Under Secy. to the Govt. of India.
