NOTE OF REMARKS.

The estimate under review amounting to Rs 180 provides for the purchase of a Bechoba tent 10' x 10' for the use of the Tanjore Dn Office.

The rate cannot be checked in this Office, but the amount charged, which includes carriage &c from Vellore, seems reasonable.

Letter from A. H. Garrett Esqre, Executive Engineer, Tanjore Dn to the Supdg Engineer, 6th Circle dated 26th October 1888, No 4105.

× herewith returned with enclosure

With reference to your No 1634 T.J× of 23rd October 1888, I have the honor to state that I applied for an office tent because I found it inconvenient having the writer at work under the fly of my own tent, which unless I pitch a separate tent of my own for him is the only arrangement now practicable.

2. I think an office tent is required and shall be glad if you will get the estimate sanctioned.

2. The Executive Engineer is

-is unwilling to accomodate his clerk under the fly of his own tent and I think can claim to have an office tent provided by Government.
