SIR,

I have the honor to request that orders may be issued to the Examiner P.W. Accounts to pass me full pay and allowances as Superintending Engineer 3d Grade for the 6th November 1888 in lieu of Furlough Pay as Executive Engineer 1st Grade for that day in consideration of the following circumstances that I was entitled to full pay as Superintending Engineer 3d Grade when I presented myself for duty at this Office to take up my appointment

appointment on the morning of 6th November 1888 and but for the absence of Executive Engineer Presidency Division then in temporary charge of the office should have received charge from him upon my arrival as was intended apparently by your notification No. 358 at page 709 of the Fort Saint George Gazette dated 25th September 1888 Part I.

2ndly at the time of going on furlough in May 1887 I drew Subsidiary leave pay for 5 days only: On 15th May 1887 I had to my credit 43 days' Privilege Leave; as I used 5 in May 1887 it follows that at least 30 days Subsidiary or joining leave was to my credit on 6th November 1888 – but Examiner says that nothing

SIR,

Enclosures.

With reference to your Memorandum No. 1278 C dated 12th March 1889, I have the honor to state that in view of the Examiner's note, it is apparent that whilst full pay as Superintending Engineer 3rd grade may not be admissible for the 6th November 1888 yet I submit that my belonging to the P.W. Department does not deprive me of my claim to the full Military pay and allowances of Lieutenant Colonel R.E. – whilst in India. My claim to this was even admitted by the

the Examiner by his audit of November's pay Bill although subsequently in the Pay Bill for December 1888 disallowed.

I would respectfully request that the Examiner may be ordered to pass my full Military pay and allowances as Lieutt Coll. R.E. for 6th November 1888.

SIR,

Enclosures.

With reference to your Memo No. 2009 C dated 25th April 1889, I have the honor to request that I may be considered to have been on Subsidiary Leave on the 6th November 1888 when I came, pursuant to Notification No. 358 at page 709 of the Fort St. George Gazette dated 25th September 1888 Part I, to Chepauk to take charge of this Office and my present duties but when, owing to the Officer in temporary charge being absent from Madras on

that

that day, not on duty, I was unable to take charge until the next day the 7th November 1888.

The Examiner says in his Office Note No 301 dated 7th March 1889, that "Subsidiary leave rate of pay was admitted for 6th November 1888", this I must distinctly deny. All he has passed me for 6th November is furlough pay. Had he done, as he has reported he has done, I should not be again compelled to make this application. Extract of November's Pay bill enclosed.

SIR,

Enclosures.

With reference to your Memo No 3178 C dated 12th July 1889 I have the honor to state that when on morning of 6th November 1888 I disembarked at Madras. I ascertained that I had been ordered by means of Fort Saint George Gazette, [illegible] Chief Engineer's Notifications Nos 358, 364, 384 of 1888. to take charge of the 5th Circle as Supdg: Engineer after reporting my arrival to the Staff Officer of the Madras District in Fort Saint George. I immediately came to this Office pursuant to the order and learnt that Colonel Ross Thompson R.E. was acting as Superintending Engr. and that he was absent from Madras

2

2. I thus saw that I could not then (forenoon of 6th November 1888) take charge of this Office, and I subsequently learnt that the acting Officer was not* apparently absent on duty, consequently he must have been absent either with or without leave, and if no leave has been given him, then absent without leave –

*because he submits no T.A. Bill either for any journey from Madras prior to the 6th Novr or for a journey to Madras on the 7th November/88 & he was not in Madras on the 6th November/88

3. On the 7th November having returned to Madras from Bangalore in reply to a telegram from myself he handed over charge to me on the forenoon of that day.

4. In the Salary Bill of the Circle for November 1888 sent in on the 1st December I claimed under the above circumstances full Indian pay and allowances as a Lieutt. Colonel Royal Engineer and as a Supg Engineer 3rd Grade for the 6th November 1888 and the

the same was passed by the Auditor & Examiner of P.W. Accounts early in Decr/88.

5. Sometime in January about 17th the Examiner when auditing my pay for 1st–31st December/88 mulct me in the sum of Rs 28-3-7 as due from me for 6th November 1888 – because as he then & has subsequently maintained in spite of the fact* recorded in Fort Saint George Gazette that I was to be considered as absent on subsisting leave under the Civil Leave Code on that day only no application for leave under Civil Leave Code has been made by or granted by Government for I was absent on furlo' to Europe under furlo' Rules of 1868 (Military) and up til the 6th November 1888 only.

6. Under these Circumstances I subsequently claimed namely in March 1889 the difference between Furlo' pay (Rs 746-12-0) as passed on 17 January/89 and Lt Colonel Royal Engineer's Pay Rs 1002-4-0 Viz my full pay as a Lieutt Colonel R.E. in India & full Military Pay & allowances for 6th November 1888. because, as I hold, I cannot be thus mulct any portion of my Military Pay & allowances by the Examiner P.W. It has already been decided that under Civil Leave Rules, Col. Burton was entitled to leave pay only for 6th Novr 1888 -

Apparently the only point remaining to be ~~[illegible]~~ considered is whether Col. Burton was justified in reporting that Col. Ross Thompson was absent from Madras without leave on 6th Novr. - It is not usual for a Supdg Engr to obtain leave to travel anywhere within his Circle.

From the Supdg. Engr. V Circle H.Q. No. 2748 d/ 25th July 1889

The Government is of opinion that Col Burton was not justified in accusing Col. Ross Thompson of being absent from Madras without leave on the 6th November 1888.

2. A Superintending Engr. can proceed on his own authority to any part of his Circle, and the fact that Col Burton was unable to take Charge of the V Circle on the 6th November 1888 owing to the Officer in charge of the Circle being absent from Madras was no just reason for the statement to which objection has been taken.
