7TH AUGUST 1889, No. 2121 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Civil Works.

READ—the following paper :—

Proceedings of the Board of Revenue (Land Revenue), dated 16th July 1889, Mis. No. 4290.

THE HON. J. GROSE, M.A.

Read—the following letter from E. TURNER, Esq., Collector of Madura, to the Secretary to the Commissioners of Land Revenue, dated Kaliarkovil, 30th June 1889, No. 264.

I have the honor to state that the construction at Sivaganga of a new Sub-Magistrate's office with sub-jail and outhouses was recommended by me to the Board in my letter No. 62, dated 10th February 1888, and that the Government were pleased to sanction Rs. 12,570 for the works in their Order No. 1243 W., dated 27th April 1888, Public Works, with the remark that the works should be executed when funds are available. In G.O., No. 996, dated 21st November 1888, funds were provided for the purchase of a plot of ground for the construction of the buildings. The sale-deed has been executed and the land was handed over to the Public Works Department for making early arrangements for the construction of the building. The Superintending Engineer, VI Circle, replies in his letter No. 128 M.D., dated 14th May 1889 (copy enclosed), that the Government have not provided funds for the work. I have already brought to notice the urgency of the work in my letter No. 62, dated 10th February 1888, and my Head Assistant Collector also considers that it is very necessary that the work should be speedily carried out (*vide* his letter No. 366, dated 17th June 1889, copy enclosed). In these circumstances, I request that Government may be addressed to provide funds for the work as early as convenient.

Resolution—dated 16th July 1889, Mis. No. 4290.

Submitted for the orders of Government.

2. In G.O., dated 27th April 1888, No. 1243 W., communicated with G.O., dated 14th May 1888, No. 2860, R.D., the Government sanctioned the construction of the Sub-Magistrate's office at Sivaganga at a cost of Rs. 12,570, but said that the work should begin when funds become available.

3. Subsequently in G.O., dated 15th November 1888, No. 3619 W., Rs. 1,800 were granted for the purchase of the site on which the building was to be raised. A sum of Rs. 8,000 has been provided in the final issue of the Public Works budget (page 12) under class B works.

4. In his letter, dated 17th June 1889, No. 366, the Head Assistant Collector reports that the present building is in a most dilapidated condition, that parts of it are tumbling down and may give way any day with the result that either some passenger in the street close by may be injured or the sub-jail next to it may be demolished.

Under these circumstances, it is requested that Government will be pleased to treat the work as urgent and transfer the allotment of Rs. 8,000 from B to A class works, so that the work may be put in hand at once.

Order—dated 7th August 1889, No. 2121 W., Public Works.

A sum of Rs. 5,000, the available balance of reserve with the Government under Provincial, is appropriated for the Sub-Magistrate's office at Sivaganga. A further allotment will be made later in the year on receipt of information from the Superintending Engineer as to the amount that can be spent on the work during the current official year.

2. Arrangements should be made to complete the work as early as practicable.

Sir,

In acknowledging receipt of your endorsement No. 833 of 11th Instant regarding Deputy Tahsildar's office at Sivaganga, I have the honor to inform you that the work was included in the Budget submitted from this office for the current year but in the preliminary issue of the Budget [illegible] from the Government, no provision has been made for the same. If the work is considered urgent, I would suggest the advisability of your addressing the Government on the subject.

Sir, Adverting to your docket No. 1747 dated 4th Instant, I have the honor to report that it is indispensable the work should be carried out this year. The present building is in a most dilapidated condition and the Deputy Tahsildar Magistrate holds his Court in a portion of the Police Station which can hardly accommodate the Court and pleaders and the parties are made to stand outside. The Police are inconvenienced by this arrangement and it also tends to the scattering of the establishment in such a manner as to deprive the Deputy Tahsildar of proper supervision of the Gumastahs' work.

2. Further the old building in which the Court used to be held is tumbling down and may give way any day with the result that either some passengers in the street close by may be injured or the Sub Jail next to it be demolished by

by the pieces falling.

3. The building as it stands is most dangerous and the want of accommodation is the source of most serious inconvenience to the work of the office and to the parties who resort to it.

4. I therefore request you will be good enough to obtain sanction of Government for the speedy execution of the work.

5. The sale deed has been sent to the President of the Taluk Board with instructions to get it registered at the earliest possible date and I shall send it on to you as soon as received.
