To W.

As there is no officer of the Madras P.W. Department at Hassan in the Mysore Province, it would be useless handing over the building to the P.W. Department and bringing it on the P.W. books. The officers of the Postal Department can themselves have charge of the building and execute repairs etc. necessary (vide code para 1335).

As the station of Hassan is beyond the limits of the Madras P. W. Department, it would be better that the building should, if acquired, remain in the charge of the Postal Department under the arrangements contemplated by para 1335 of the P. W. Code.
