READ—the following paper :—

From Brigadier-General M. PROTHEROE, C.B., C.S.I., Quartermaster-General,  
to the Secretary to Government, Military Department, dated Ootacamund,  
26th July 1889, No. 2218 A.

With reference to the correspondence noted in the margin, I am desired to report, for the information of Government, that there is now no probability of the building in Fort St. George, formerly in occupation by the Presidency Pay office, being made available as quarters for the Ordnance officer owing to its being still required for use by the Military Accounts Department, but arrangements are now being made to provide him with suitable accommodation in one of the vacant officers' quarters in Fort St. George, as the Commander-in-Chief concurs with the Inspector-General of Ordnance in his opinion that it is extremely desirable that an Ordnance officer should continue to reside within the fort.

No. 5106, Military.

Transferred to the Public Works Department in continuation of Military Department endorsement No. 3893, dated 14th June 1889.
