No. 401. The following posting is ordered:-

Lieutenant W. M. Ellis, R. E., Assistant Engineer,

at hand here for the under the long table
 In my joining the P.W.D. in Madras by order from here
 I was directed at Madras to wait for 2 days and then
 ordered to report at Trichinopoly for settling at the Public Dispensary
 (order attached) from Trichinopoly I went to Bangalore
 for orders of the Government. On arrival of the Government at which
 I was posted and then to the Head Office of my Sub-Division at
 Mysore in order. In all of these places in Mysore I took my horse
 and camp equipage with me to complete.
 In Mysore I was the first place which attracted the fact that
 in the morning my posting is the lastly executed by the Government
 of Mysore Mysore.

In the second I would point out that even if my travelling allowance
 are disallowed as far as Trichinopoly the Station at which I was
 ordered to join, I am entitled to travelling allowance from there
 to Bangalore and thence to Manargudi. That is then as stated
 to proceed from Madras to Mysore in order I can let have the
 to at much less expense than by the route ordered and I submit
 that it is a hardship to be obliged by order to travel by a circuitous
 route and thus be put to extra expense without any compensation
 being made. I would ask if travelling allowance are disallowed that
 the actual expenses for the Railway journey be allowed under the order
 of the Government. I have the honor to be

Your office note No. 3183 C. dated 12th
July 1889.

It was not a case of first ap-
pointment and therefore does not come
within the letter of code para 545.
Possibly the circumstances of Lieut.
W.M. Ellis' case may be such as to
bring the case within the spirit of
code para 545, but that must depend
upon his status previous to his trans-
fer to Madras, and this is a matter on
which I am not prepared to express an
opinion, and on which the Government
of Madras is hardly in a position to
decide even assuming (which is by no
means clear) that they would in any
case be justified in stretching the
rules to meet the case.

2. In the circumstances, if Govern-
ment consider that Lieut. Ellis should
be considered as having joined for
duty at Madras, or anywhere except at

To

P.W.D.

Sir

With reference to letters marginally noted, I am directed to submit the following case for the consideration of the Government of India.

From the Govt of India P.W.D.
No 367 G. d/8th February 1889

From - do - Engr. Dept.
No 299 G. W. d/18th February 1889

2. Lieut. W. H. Ellis, R.E. on
being relieved in August 1888
of special duty in connection
with defence works at
Rangoon, proceeded to
England on four months
leave granted to him by
His Excellency the Commander
- in - Chief Madras. On
return from leave, he
reported himself for duty
at Madras on the 5th December
1888, but as some difficulty
was experienced in arranging
his posting, he was detained
there for a week awaiting
orders. He was finally
posted to the VI circle, the
head quarters of which are
at Trichinopoly, and on
reporting himself to the
Suptg. Engineer at that
station, he was directed
to

to proceed to the Megapattam
division. On arrival at
Megapattam he was posted
by the Executive Engineer
to the charge of the Mamangudi
sub division. He
arrived at Trichinopoly
about 14th December, at
Megapattam on the 15th,
and at Mamangudi on
the 16th idem.

3. The Examiner. P.W.
Accounts, under the ordinary
rules of the service, treated
Lieut. Ellis as an officer
returning from leave, and
disallowed his claim to
travelling allowance from
Madras to Trichinopoly
and thence to Mamangudi.
As however he was joining
the Madras P.W. Dept.
for the first time, and

having in view the circumstances
of his detention at Madras,
I am directed to request
the sanction of the Govt.
of India to his case being
treated as falling within
the spirit of para 545
of the Madras P.W. Code,
so that he may be declared
to have joined the depart-
ment for duty on the 5th
December 1889, the date of
his arrival at Madras.

This concession will result
in his being allowed in
~~accord~~ the pay of his
grade as well as travelling
allowance from the date
named.

4. A copy of the European
Office note No. 1040 dated
20th July 1889 on the subject,
