9TH AUGUST 1889, No. 2139 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper :—

From G. HAMNETT, Esq., Inspector-General of Registration, to the Chief Secretary to Government, dated Madras, 26th July 1889, G. No. 2064.

Under the sanction accorded in G.O., Judicial, dated the 23rd June 1885, No. 1660, a Sub-Registry office was opened at Avanigadda, in the Kistna district, on the 1st October 1885. It was estimated that the office would produce 767 registrations and receipts Rs. 942. The actual results, however, have been as follow :—

Year..	Registrations.		Receipts.	
	NO.	RS.	NO.	RS.
1885-86	519	628		
1886-87	906	1,192		
1887-88	902	1,333		
1888-89	1,097	1,472		

2. The Registrar informs me that "the want of a public building for the use of the office of the Sub-Registrar is very much felt, as the only rented building available is in awful want of repairs," and as the owner is not prepared to make the necessary repairs, though often requested to do so, he requests that the sanction of the Government may be obtained for the construction of a Sub-Registry office in the same compound as the Deputy Tahsildar's cutcherry, for which land is being taken up now under Act X of 1870.

3. The office supports itself, and I have the honor to recommend that the sanction of the Government may be obtained for the preparation of plan and estimate for a Sub-Registry office on the revised standard tiled design.

Approved and transferred to the Public Works Department.

5th August 1889.

(Signed) A. G. CARDEW,
Under-Secretary.

ORDER—dated 9th August 1889, No. 2139 W., Public Works.

Communicated to the Superintending Engineer, II Circle, who will submit an estimate for a Sub-Registry office on the revised standard (tiled) design.

2. The Registrar informs ^{me} that
"the want of a public building for
the use of the office of the Sub Registrar
is very much felt as the only rented
building available is in awful
want of repairs", and as the owner
is not prepared to make the necessary
repairs

repairs though often requested to do
so, he requests that the sanction
of the Government may be obtained
for the construction of a sub registry
office in the same compound as the
Deputy Tahsildar's Chaklany for
which land is being taken up now
under Act II of 1870.

3. The office supports itself,
and I have the honor to recommend
that the sanction of the Government
may be obtained for the preparation
of plan and estimate for a sub
registry office on the revised standard
filed design.
