9TH AUGUST 1889, No. 2144 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper:—

From Lieut.-Colonel A. C. SMITH, R.E., Superintending Engineer, VI Circle,
to the Chief Engineer, Public Works Department, dated Negapatam, 26th
July 1889, No. 903 T.J.

Police station-house and lines at Kangiampatty and Kolathur and station-house
at Kabistalam, in the Tanjore division, being no longer required by the Police
Department, they have been, at the request of the Police Superintendent, taken over
by the Executive Engineer.

2. The station-house at Kabistalam is required by the Revenue Department and
the Executive Engineer has arranged to hand it over to the Collector. The other
buildings are not required by any other department; these are, moreover, reported
to be of very little value and to have been built by the Police Department, as their
original cost was, in each case, under Rs. 1,000. The roof of the lines at Kolathur
is said to have been already blown off.

3. I have therefore the honor to request sanction of Government to the station-
house and lines at Kangiampatty and Kolathur being sold in public auction and
the station-house at Kabistalam being transferred to the Revenue Department.

ORDER—dated 9th August 1889, No. 2144 W., Public Works.

Sanctioned as recommended by the Superintending Engineer.
