Proceedings of the Board of Revenue (Land Revenue), dated 10th July 1889, Mis. No. 4139.

The Hon. J. Grose, M.A.

Read—the following letter from the Collector of Madura, dated 20th June 1889, No. 241:—

I have the honor to submit, for the sanction of Government, revised estimate, &c., amounting to Rs. 24,940, for the construction of taluk cutcherry at Tirumangalam, with outhouses, in accordance with the type-design embodied in G.O., No. 1495 W., dated 3rd June 1887, received from the Superintending Engineer, VI Circle, Trichinopoly.

2. An estimate for Rs. 25,110, for the construction of the building in accordance with the old design embodied in G.O., No. 2013 W., dated 31st August 1885, has been sanctioned by Government and communicated with Board's Proceedings, Mis. No. 8641, dated 19th September 1885. This revised estimate is submitted as the one already sanctioned is not in accordance with the new type-design.

Resolution—dated 10th July 1889, Mis. No. 4139.

The revised estimate for constructing a taluk office at Tirumangalam is submitted for the sanction of Government.

2. The estimate is prepared with reference to the latest standard design circulated with G.O., dated 3rd June 1887, No. 1495 W., and amounts to Rs. 24,940.

3. It is observed that this estimate includes provision for a ryot's shed, Rs. 1,088, and for a jail latrine, Rs. 738. These two items should, apparently, be excluded with reference to G.O., dated 27th June 1888, No. 3742. The net estimate will then be Rs. 23,114, which is Rs. 2,114 in excess of the cost at Madras rates for a taluk office on the new type-design.

4. In para. 4 of his report the Superintending Engineer says that Rs. 13,000 are allotted for expenditure on the work during the year in the Provincial budget for 1889-90 (*vide* item 17, part I, class A works, in the list circulated with G.O., dated 19th January 1889, No. 339).

Note by the Chief Engineer, General, Buildings and Roads Branch.

The revised estimate of Rs. 24,940 for constructing a taluk office with outbuildings at Tirumangalam includes provision for a ryot's shed and jail latrine, but as these buildings are not required, their cost will be deducted from the estimate, which will then stand at Rs. 23,114, or Rs. 1,996 less than the original estimate sanctioned in G.O., No. 2013 W., dated 31st August 1885. The Board of Revenue remarks that the net amount of the estimate, viz., Rs. 23,114, is in excess of the cost at Madras of a similar building, but it has been overlooked by the Board that the estimate of Rs. 23,114 includes a sum of Rs. 2,569 for a cook-room and compound wall: if these items be deducted, it will be found that the estimated cost of the main building of the taluk office at Tirumangalam is Rs. 20,545 against Rs. 21,000 for a similar building at Madras rates.

With these remarks the revised estimate is submitted for sanction.

2. A sum of Rs. 13,000 has been provided for the work in the Provincial budget for 1889-90.

3. With reference to the concluding remark of para. 3 of its Resolution, the attention of the Board of Revenue will be invited to the Note by the Chief Engineer above recorded.

NOTE OF REMARKS.

The revised Estimate under review amounting to Rs 24,940 provides for construct[illegible] a Taluk Office and subsidiary buildings at Tirumangalam in the Madura Dist.—

The Est. is divided as follows—

Constructing Taluk Office	Rs 20,545
— Do — Ryots Shed	„ 1,088
— Do — Cook room	„ 565
— Do — Jail Latrine	„ 738
— Do — Gate	„ 64
— Do — Compound wall 700 ft long	1,940
Total Rs	24,940

This estimate is submitted in supersession of the Est: for Rs 25,110, Sanctioned in G.O. No 2013/4 [illegible] August 1885, prep[illegible] in accordance with the [illegible] Design —

The Revenue Deptt: in their order No 4661 d/25/7/89

suggests that the provision
for a Record Shed & Jail
Latrine may be omitted
in the revised Est: submitted
for Sanction, which
will still further reduce
the Est. to Rs 23,114 -

The Est: under consideration
is framed on the latest
type design approved in
G.O. No 1495 W d/3rd June/87.

It is remarked in
Proceedings of the Board
of Revenue No 4,139 Mis
d/ 10th July 1889 that
the net amount of
the Est: viz Rs 23,114 is
still Rs 2114 in excess of
the cost of building
for a Taluk Office on
the new design viz
Rs 21,000 -

The Board of Revenue
has lost sight of the
fact that Rs 21,000
only provides for the
main building
whereas the Est: under
review in addition provides
for a
Cook Room [illegible] Rs 565
[illegible] " 64
Compound wall " 1940
Total Rs 2,569

2701

which if deducted
from Rs 23,114 leaves
Rs 20,545 as the cost
of the main building
or Rs 455 less than
it would cost at
present -

The rates are fair -

The plinth area of
the main building
is 8,328 Sq. ft: and
will cost Rs 2-7-6 per
Sq. foot -

The Est is countersigned
by the Collector
and approved
by the Rev: Dept:
with the exception
noted above -

The Est: has been duly
corrected -

3/8/89

The foundation,
basement & walls
are to be built with
cement stone in mortar
& the building will
be roofed with Mangalore
