From,

J. W. Martin, Esq.,
Executive Engineer,
Coimbatore Division.

To,

The Superintending Engineer,
Fourth Circle,
Coimbatore.

Sir,

In reply to your Endorsement
No. 483, dated 12th instant on Memo-
-randum No. 5038, dated 10th idem
from the Chief Engineer in the
matter of the District Forest office,
Coimbatore, I have the honor to
state that my report No. 2468, of
29th ultimo is strictly correct, for
it is the verandah of the upper
story that is referred to in the
estimate although perhaps
not correctly described in the report.

2. The record rooms are on the ground floor, one at each end of the building, the ceiling or so-called roof being the upper verandah, the flooring of which is made with planks. The provision in the estimate for stopping the leaks is not much, as stated already, for the amount is only Rs 10.

I have &c
(sd) J. W. Martin,
Executive Engineer.

Accordingly after the submission of
the orders on the statements of de-
mands I submitted a draft order
allotting funds for the works. I
know it was passed by D.W.
and I find from the Acty
despatch book that the draft
order was sent to Acty on the
15 June 1889. The order does
not seem to have returned from
Acty. I have examined the
Acty despatch book "W" numbering
book and index and I find
that it has not yet returned.
I therefore beg that the Acty
