SIR,

612W
With reference to the Proceedings of the
Government of Madras in the Public Works
Department No. 612 W of 21st February 1888,
I am directed to state that Cantonment funds
should bear the whole or a portion of the cost
of all new buildings connected with Lock
Hospitals wherever practicable. The Govern-
ment of India are not prepared at present
to accept any expenditure of this nature as a
charge against Imperial funds; and I am
to ask therefore that the Governor-in-Council
may be moved to issue the necessary instruc-
tions to prevent any charge on account of
reconstructing the compound wall of the
Lock.

(which was not communicated to me until 15th February 1899) expenditure on Lock Hospital was ordered to be met from Cantonment Funds. Liability of Rs. 134-2-0 had then been incurred on the repairs of the Lock Hospital at Madras and as the District Staff Office Madras is unable to meet the charge, there being no Cantonment Fund in Madras.

I have the honor to request that a grant to meet the above expenditure may be specially made.
