OFFICE NOTE No. 1093.

To

W.

Twenty two reams of yellow paper, for printing final contract certificate forms (form MI4) were indented for by this office in the annual indent for stationery required for use during the current official year, but the Superintendent of Stationery supplied me with only 5 reams of the paper and intimated to me in April last that the balance due would be supplied when the paper is received from the Bally Mills. He now informs me, on a further reference from this office, that the supply has not yet been received but that the Agents are arranging with their Calcutta friends to despatch the paper as early as possible. As there will probably be some further delay in obtaining a supply of this paper, and there is a danger of the stock of form M.I4 running out before the supply is received from Calcutta, would you please move Government to sanction, under P.W.D. Code

I am asking the Superintendent of Sta-

mates willingness to do it,the sanction
of Government will not be acted on,but
I asked for it to save possible delay
as the paper is urgently required.
