PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper :-

Letter to the Government of India, Department of Finance and Commerce, No. 320 dated 27 May 1889 :-

The application, notified in your letter dated 3rd instant, No. 2207, of the revised rules regarding the supply of horses to persons in personal attendance on Secretariat and Army head-quarters officers, to Madras has been observed, and I am now directed to request that authority may be given to His Excellency the Governor in Council to adjust past excess over the maximum limits laid down in the Civil Account Code. As stated in my letter dated 20th March last, No. 181, certain sums, the total amount of which will not be known until the charges of the current year have been audited by the account officers, are owing to be held in objection, and it is desirable that, before any expenditure is incurred under the new rules, the objection should be removed by formal and general sanction.

Letter from the Government of India, Department of Finance and Commerce, No. 3272 dated 27 June 1889 :-

I am directed to acknowledge receipt of your letter No. 320 dated the 27 May 1889, in which sanction is requested to expenditure incurred in the past in excess of the limit prescribed by the Government of India on account of liveryes of ferns in personal attendance on Secretariat and Army Head Quarters officers + + +

In reply I am directed to say that the Accountant General, Madras, will be instructed to admit the expenditure incurred in the past.

Order, 6 August 1889. No. 497
Recorded.

Order for the adjustment of any excess expenditure incurred up to June 27th 1889 will be in the Public Works Department, as regards that Secretariat.
