Account.

READ—the following paper :—

From the Examiner, Public Works Accounts, dated 3rd June 1889.

ORDER—dated 14th June 1889, No. 1569 W., Public Works.

The Examiner, Public Works Accounts, submits a return showing the dates of receipt in his office of divisional accounts for April 1889, from which the Government is much pleased to observe that in only two cases * was the due date exceeded.

* Dowlaishweram Workshops.
Presidency and Bangalore.

2. The explanation of the Executive Engineer in charge of the Workshops

that the delay was due to the settlement of store articles purchased in April is not understood and requires further report.

3. In the case of the Presidency and Bangalore division, the Executive Engineer reports that the delay was due to the late receipt (23rd) of stock accounts. These are presumably the sub-divisional stock returns which are due in the Divisional office on the 5th of each month. There appears to have been great delay in their submission, which requires explanation; and it should at the same time be reported what steps have been taken to prevent delay in future.

Sir, In reply to your endorsement
No. 824 G.O. dated 29th June 1889, on
G.O. No. 1569 W of 14th June 1889, I have
the honor to state that sundry stores,
such as (tanks iron) screws, coconut
oil, Castor oil &c were purchased
from Supplier Vistnuvardhanam in
April 1889 before his tender submitted
to you with my No. 109 dated 3rd June 89
was approved, the articles being urgently
required for works. The tender not
having then been accepted and
consequently the rates not settled,
there was some difficulty in bringing

the articles on to Stock and closing
the accounts for April 1889.

2. The best and proper course
would however have been to have
brought the articles on to stock
through the medium of the account
of "Stock purchases and sales" at
an approximate rate as per Cost
para 1856 pending further amendments.

3. I regret the above procedure
was not adopted and I hope that
such delays will not occur again.

I have the honor to

1064 G.D. Col S. B. Murray
Offg Exr. Engineer
