Madras, 9th August 1889.

OFFICE NOTE No. 1136.

To

W.

Under code para 1322, clause V, (as corrected by standing order No. 614 of 1889), transfers or re-appropriations of funds made by Supg. Engineers from the grants for minor works, repairs and tools and plant have to be reported monthly to me in form No. M.106, while according to the note to para 1323 such transfers etc. have, in the case of irrigation works, to be reported to me, and to the Chief Engineer for Irrigation, on the day on which the transfers are made.

2. As the latter rule conflicts with the former, I beg to forward herewith for the approval of Government a draft standing order modifying the note to para 1323 so as to bring it into accord with the rule laid down in clause V of para 1322.
