2. Items Nos. 1 to 4, 7, 8, 10 and 12 are said to have been built by the Police Department, and 5, 6, 9 and 11 by the Public Works Department; Nos. 1 and 3 have been handed over to the Revenue Department at the request of the Collector for use as offices by the village officials; Nos. 7 and 8 have been placed at the disposal of the Executive Engineer, No. II Periyār division; and the other eight items remain to be disposed in public auction as they are not required by any other department.

3. It is reported that the Collector of Madura has informed the Executive Engineer that the zemindar of Sandyr offers Rs. 250 for the Sandyr station and huts Nos. 9 and 10, and as there are apparently no other possible purchasers, it is recommended that this offer be accepted.

4. In the case of the remaining eight items (including Nos. 9 and 10), as the lands should be sold with the buildings, neither being of appreciable value apart, the sale would have to be conducted by the Revenue Department.

5. It is also reported that all the thatched huts are gradually deteriorating from the action of the weather. I have therefore the honor to request early sanction to the disposal of the above eight items, and to the transfer of the two items (1 and 3) to the Revenue Department.

Read—the following endorsement by the Public Works Department, dated 9th July 1889, No. 490 D.

Referred to the Judicial Department for favor of information whether there is any objection to the disposal of the huts as recommended by the Superintending Engineer.
