Read—endorsement from the Collector of the Godávari, dated 20th May 1889, No. 202.

Resolution—dated 17th July 1889, No. 1678.

Budget of Receipts.—With reference to paras. 3 and 4 of the Head Assistant Collector's letter, it should be reported whether any increase under III. Forest Revenue may not be expected. The Collector's remark on this head that this is not a permanent source of income is not understood.

2. *Budget of Charges.*—(*a*) The provision for fasli 1299 under II (*b*) and (*c*) should respectively be Rs. 500 and 293 and not Rs. 385 and 226, as the estimates for the works do *not* include the cost of supervision. It is observed that the "retaining wall" to the Yerrakalva dam at Guravayagudam" does not appear in the list printed with Court's Proceedings, No. 1155, dated 18th May last.

(*b*) With reference to Court's Proceedings, No. 1538, dated 3rd July 1889, the provision for the minor's allowance will be raised by Rs. 360.

3. With these remarks and modifications the estimates are sanctioned.
