Judicial Department.

## PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper.—

From the Registrar of the High Court of Judicature,  
Appellate Side, Madras dated 15<sup>th</sup> July 1889 No. 1690:—

With reference to your letter Judicial, No. 284, of the 15<sup>th</sup> February 1889, I am directed to state that the District Munsiff's Court was removed from Cumbum because of the hopeless unhealthiness of the place. It was found that two thirds of the establishment were usually unable to attend the Court from fever, that <sup>no</sup> substitutes could be procured and that parties and witnesses would not go near the Court, if they could possibly avoid it. The Court was therefore removed to Markapur which is not only more healthy but more central for the jurisdiction of the District Munsif.

2. The necessity of abandoning Cumbum was fully recognised by Government in G.O. 13<sup>th</sup> March 1888, No. 213, Revenue.

3. The building at Markapur now rented by Government for the Court at a cost of Rs 132 per annum, does not appear to be suitable or capable of being made suitable for a Court-house. It is described as consisting of two small mud roof terraced buildings.

buildings in a very bad state of repair, each belonging to a different owner, one of whom is absent from the station and the other of whom does not wish to sell his share. Purchasing the buildings with a view to repairing them would therefore necessitate recourse to the Land Acquisition Act and this is the further objection that the house is surrounded by inflammable huts and is in constant serious danger from fire. It does not therefore seem to the High Court advisable either to continue to rent the present buildings longer than is absolutely necessary or to engage in a probably futile endeavour to make them reasonably safe and commodious.

4. Government is responsible for the safe custody of the valuable documents and records filed in the Court. The High Court therefore recommends that early steps be taken to erect a Court-house on the standard plan at Markapur.

5. The abandoned Court-house at Lumbum is a Government building, well built, with a verandah on three sides and situated in a large compound. It is roughly valued at Rs 6,000. It has not been used since the transfer of the Munsif to Markapur.

Order of 8<sup>th</sup> August 1889 No. 1347.

Before passing orders on the letter above recorded, Copy of the Proceedings of Government in the Revenue Department of 29<sup>th</sup> June 1889,

2330

1889, no. 542, sanctioning the location of the head quarters of the Lumbum taluk and division at Mundlapad, will be communicated to the Honorable the Judges of the High Court who will be requested to consider whether it would not be better to build the proposed District Munsif's Court house at that place than at Markapur.

2. The question of the disposal of the old Court house at Lumbum will be considered in the Public Works Department.
