READ—again the following:—

G.O., dated 10th January 1889, No. 62 W., Public Works.

READ—also following letter from Brigadier-General M. PROTHEROE, C.B., C.S.I.,
Quartermaster-General, Madras Army, to the Secretary to Government,
Military Department, dated Ootacamund, 26th December 1888, No. 4283 B.

I have been desired by His Excellency the Commander-in-Chief to acknowledge
receipt of the order of Government,
No. 8238, dated 7th December 1888, number and date as per margin, on the
subject of the employment of native troops

on military works, and to express His Excellency's regret at the inability of the
Public Works Department to find early employment for the men of the Pioneer
regiments belonging to this Presidency.

2. His Excellency is strongly of opinion that the usefulness and efficiency of
the 1st and 4th Pioneers, as pioneer battalions, can only be maintained by their
frequent employment in time of peace on works which will afford some training to
the men for the duties required of them in the field, and which will give them some
opportunity of earning working pay and thus render service in pioneer battalions
popular; he, therefore, trusts that, though no military lines of road or railway are at
present in progress in the Madras Presidency, employment may be found for them
on suitable public works, other than military, which may have been sanctioned by
Government.

3. The lists of artificers required in para. 4 of Public Works Order No. 3684 W.,
dated 21st ultimo, have been called for and will be furnished when received.

No. 69, Military.

Transferred to the Public Works Department, with reference to Proceedings of
Government, No. 3684 W., dated 21st November 1888.
