GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper:—

From the Government of India, Public Works Department (Civil Works—Miscellaneous), dated Simla, 30th July 1889, No. 292 M.

Read—

Government of India P.W.D. Circular No. 69 P.W., dated 20th Sept. 1879.

Observations—

The Government of India has recently had under consideration the subject of the construction and repair of steam boats, launches and other vessels for the use of Government by the Government dockyards at Calcutta or Bombay, and by private firms. There seems reason to think that greater economy and efficiency might be obtained if more frequent recourse were had to the dockyards for the purposes indicated. The Governor-General in Council is pleased to approve of the following rules on the subject.

Resolution—

In future, work which is connected with the construction or repair of Government vessels must, in all cases, be carried out either by Government workshops or by the Government dockyards, unless for any special reason it appears that the employment of private firms will be more economical, or if the workshops or dockyards are unable, by press of other demands, to execute the work as speedily as is necessary.

2. Local Governments and Administrations are at liberty in every case to call for estimates for any work which has to be done, both from Government dockyards and private firms simultaneously, and to decide, with reference both to the amount of the tenders received and to other considerations, how the work shall be executed.

3. An annual return is to be submitted on the 31st August of each year to the Government of India showing all cases in which work, of the nature referred to, has been given to private firms in preference to Government workshops or dockyards, with a full explanation of the reasons which led to the employment of the private firms.

Order—

Ordered that this Resolution be forwarded to the Local Governments and Administrations marginally noted for information and guidance.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab.
The Chief Commissioners of Burma and Assam.
The Director-General of Railways.
Do. of Telegraphs.

Ordered also that the Resolution be communicated to the Military (Marine) Department for information.
