[*For Heads of Departments.*]

Circular No. XIX. Public Works.

GOVERNMENT OF INDIA.

PUBLIC WORKS DEPARTMENT.

ACCOUNT.

General.

Simla, September 2, 1881.

Percentage and rate of exchange to be charged on all English stores supplied to Native States.

Read—

Public Works Department Resolution Nos. 279-93R.-A., dated 12th March 1881.

Read also—

Note by the Accountant General, Public Works Department, No. 441G., dated 18th July 1881.

Resolution.—It has been the custom hitherto to charge 2 per cent. for departmental expenses and 1 per cent. for insurance on the cost of English stores obtained through the Secretary of State for railways constructed for Native States, and to calculate exchange thereon at the average rate of the Secretary of State's drawings on India during the month in which each shipment is made. But this practice has not been followed in the case of English stores for ordinary public works in Native States, in which cases no recoveries for departmental expenses and insurance have been made, and exchange was calculated at the annual rate fixed by the Secretary of State for the adjustment of transactions between England and India.

2. As it is not desirable to have one system in force for stores supplied for railways and another for stores supplied for ordinary public works belonging to Native States, it is now ruled—

(i) that the principles laid down in the Public Works Department Resolution read above, by which all railways constructed at the expense of Native States are debited with 2 per cent. for departmental expenses and 1 per cent. for insurance on the cost of English stores obtained through the Secretary of State, should be applied generally to all English stores so supplied for Native States; and

(ii) that exchange should be calculated on the cost of all English stores supplied to Native States at the average rate of the Secretary of State's drawings on India during the month in which each shipment is made.

Order.—Ordered, that this Resolution be communicated to the Local Governments, Administrations and Officers noted in the margin for information and guidance.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.
The Chief Commissioners, Central Provinces, British Burma and Assam.
The Resident at Hyderabad.
The Resident at Mysore (through Foreign Department).
The Agents to the Governor General for Central India, Rajputana and Biluchistan.
The Director General of Telegraphs.
The Inspector General of Military Works.
The Accountant General, Public Works Department.
The Director General of Railways.

Also to the Financial and Foreign Departments of the Government of India, the Comptroller General, the Accountant General, Bengal, the Superintendent of Port Blair and Chief Commissioner, Andaman and Nicobar Islands, the Director-in-Chief, Indo-European Telegraph, the Director, Persian Telegraph, the Deputy Director, Persian Gulf Telegraph, and to the Consulting Engineers to the Government of India for Guaranteed Railways, Calcutta, Lahore and Lucknow for information.

A. Filgate
Lieut.-Colonel, R.E.,
Depy. Secy. to the Govt. of India.

No. 3529, dated 29th September 1883.

RESOLUTION—By the Government of India, Department of Finance and Commerce.

Read again—

Resolution in this Department, No. 997, dated 20th February 1871, in which it was decided that, for stores received from England for the Nizam's State Railway, the Nizam's Government should be charged loss by exchange on the value of such stores calculated at the annual average of the rates of exchange at which the Secretary of State purchased his bills in India.

Resolution in this Department, No. 4576, dated the 26th October 1871, in which the Government of India agreed, on a representation made by His Highness the Nizam's late Minister, that the calculation of the value of stores supplied from England for the use of the Nizam's State Railway should be based on the rate of exchange of the Secretary of State's drawings in India for the month in which the stores were supplied.

Order in this Department, No. 1302, dated the 18th July 1882, which directed that, for the valuation of stores sent out from England for use of Railways constructed by Native States, exchange should be calculated as laid down in the case of the Nizam's Railway.

To The Secy to the Govt. of Madras P. W. Dept
with 6 spare copies

Resolution.—It having been found by experience that the present arrangement gives rise to an amount of correspondence and a complication of accounts quite incommensurate with any advantage that can be gained from minute accuracy in the rate of exchange, the Governor General in Council is pleased to rule that the rate of exchange, to be adopted for calculating the value of stores sent out from England for Railways constructed from funds furnished by Native States, shall be that annually fixed for the adjustment of financial transactions between the Government of India and the Imperial Government.

These orders do not affect the liability of the Native States to pay the percentage fixed on account of departmental and insurance charges in addition to the amount due at the rate of exchange.

Order.—Ordered, that this Resolution be communicated to the Foreign Department for information, and to the Public Works Department and the Comptroller General for information and the issue of further orders.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following paper:—

Resolution of the Government of India, Department of Finance and Commerce (Accounts and Finance—Stores), dated Simla, 22nd July 1889, No. 3742.

Read—again—

Financial Despatch from the Secretary of State for India, No. 237, dated 23rd August 1883.

Read—also—

Public Works Department Circular, No. XIX, dated 2nd September 1881, and communication to the Comptroller and Auditor-General from this department, No. 4173, dated the 11th November 1881.

Resolution—

At present no recovery is made from Provincial and Local Funds on account of the departmental expenses incurred in England in connection with English stores purchased at the instance of Provincial and Local authorities. A payment on account of the cost of insurance of such stores of an additional charge of 1 per cent. on the value of the stores is, however, required. The Governor-General in Council now directs that the same procedure shall be followed in the case of stores charged to Provincial and Local Funds as is at present followed in the case of stores supplied to Native States; and that in all cases, in addition to the 1 per cent. recovered on account of insurance, 2 per cent. shall be recovered on account of departmental charges in England.

Order—

Ordered, that this Resolution be communicated—

(1) to the several Local Governments and Administrations;
(2) to the Public Works, Military and Foreign Departments;
(3) to the Comptroller and Auditor-General, and to the several Accountants-General and Comptrollers.

(Signed) E. LAWRENCE,

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following papers:—

From H. F. CLOGSTOUN, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 8th October 1883, No. 3407.

Presidency Audit department.

With reference to the Proceedings of Government in the Marine department, No. 421, dated the 16th August 1883, I have the honor to state that the India office levies 2 per cent. for departmental expenses and 1 per cent. for insurance on the value of stores sent out to the Native States, but these percentages do not include the charges incurred here for shipping and landing the stores. The boat-hire and pier tolls paid by the Master Attendant are being recovered from the Native States, and it seems only fair that a proportion of the cost of the 2nd Assistant Master Attendant's department, which is employed in shipping and landing the stores in question, should also be recovered from the Native States. This office does not, however, possess any information as to what proportion the value of stores appertaining to Native States bears to the value of the whole of the Government stores dealt with by the 2nd Assistant Master Attendant's establishment or as to what proportion of its whole time is devoted to the Native States. The Master Attendant is, in my opinion, best able to determine the most convenient way in which the charge should be assessed.

2. The Master Attendant informs me in letter, No. 9213, dated 21st September 1883, that the 2nd Assistant Master Attendant's establishment costs Rs. 439 per mensem. He should, therefore, add Rs. 71-7-5 for pension and leave allowance contribution, in order to arrive at the proper proportion to be recovered from the Native States. He would also have to draw the pay, &c., of the establishment on separate bills from those of the General Marine department.

3. I further beg that the transfer of the 2nd Assistant Master Attendant's establishment from Port fund to Provincial may be reported to the Government of India, with reference to the letter of that Government in the Department of Finance and Commerce, No. 3609, of 15th October 1881, recorded in G.O., Financial, No. 2071, of 28th idem, sanctioning the proposal made for charges connected with ports being brought on the Port funds.

No. 2054.

Referred to the Master Attendant for early report with regard to the conclusion of the first paragraph.

2. The assessment might be *roughly* calculated: it is presumed that the exact amount of work done by the 2nd Assistant Master Attendant in behalf of Native States varies considerably at different times, and if this is the case, Government will be content with what Captain Taylor regards as a fairly approximate valuation of services rendered in this connection.

Ootacamund,
19*th October* 1883.

(Signed) C. G. MASTER,
Ag. Chief Secretary.

From J. H. TAYLOR, Esq., Lieut., R.N.R., Master Attendant, Madras, to the Officiating Chief Secretary to Government, dated Madras, 20th December 1883, No. 12707.

Administrative department.

In returning the letter from the Accountant-General, No. 3407, dated 8th October 1883, with endorsement, No. 2054, dated 19th October 1883, I have the honor to state that I find in one year 7,426 tons of stores have been received for Government departments, 2,041 tons for the Mahratta State Railway, and 533 tons for the Mysore State Railway; and the annual cost of the 2nd Assistant Master Attendant's establishment, proportioned to the above quantities, stands as follows:—

Government departments	RS.
Mahratta State Railway	3,720
Mysore State Railway	1,020
..	264

but as the landings are subject to fluctuate considerably, the best method appears to be to charge a fixed amount as is done by the India office. The Accountant-General states that it levies 2 per cent. for departmental expenses, and according to the general rates of the Madras Chamber of Commerce, the charge for landing, &c., goods from a vessel is two-and-a-half per cent. I would recommend that the rate of the India office, viz., 2 per cent., be adopted, and that the Accountant-General be authorized to recover the charge on the invoice value of goods consigned to Native States.

No. 25.

Memorandum.

The Master Attendant is requested to furnish Government with a statement showing the invoice value of goods consigned to Native States, and landed by the 2nd Assistant Master Attendant's establishment during the last five years.

8*th January* 1884.

(Signed) E. F. WEBSTER,
Chief Secretary.

From J. H. TAYLOR, Esq., Lieut., R.N.R., Master Attendant, Madras, to the Chief Secretary to Government, dated Madras, 9th April 1884, No. 3452.

Administrative department.

With reference to official memorandum, Marine department, No. 25, dated 8th January 1884, I have the honor to forward the accompanying statement showing the stores consigned to Native States and landed by the 2nd Assistant Master Attendant's establishment, during the last five years, with their invoice value filled in as far as possible.

The Resident at Hyderabad.
The Resident at Mysore (through Foreign Department).
The Agents to the Governor General for Central India, Rajputana, and Biluchistan.
The Superintendent of Port Blair and Chief Commissioner, Andaman and Nicobar Islands.
The Director General of Telegraphs.
The Inspector General of Military Works.
The Superintendent of Works, Simla Imperial Circle.
The Accountant General, Public Works Department.
The Director General of Railways.
The Consulting Engineers to the Government of India, for Railways, Calcutta, Lucknow, and Central Division.

COPY of the following is forwarded to the Local Governments and Administrations and Officers noted in the margin, for information.

A. R. BECHER,
Offg. Under Secy. to the Govt. of India.

No. 4001, Simla, the 24th July 1888.

RESOLUTION—By the Government of India, Department of Finance and Commerce.

READ the undermentioned papers in connection with the question whether, in addition to the invoice value, any, and if so what, percentage of it should be recovered from the agents of vessels on account of insurance and departmental charges when stores obtained through the Secretary of State are short delivered—

(1) Public Works Department Circular No. XIX, dated the 2nd September 1881.
(2) Paragraph 3 of Financial Despatch from the Secretary of State, No. 237, dated the 23rd August 1883.
(3) Letter from the Comptroller and Auditor General, No. 125, dated the 17th April 1888.
(4) Letter to the Agent for Government Consignments, No. 2516, dated the 12th May 1888.
(5) Letter from the Agent for Government Consignments, No. 730, dated the 16th May 1888.
(6) Letter to the Comptroller and Auditor General, No. 2869, dated the 30th May 1888.
(7) Letter from the Comptroller and Auditor General, No. 475, dated the 12th June 1888.

RESOLUTION.—In supersession of previous orders on this subject, the Governor General in Council is pleased to rule that in making recoveries from the agents of vessels on account of short delivery of stores obtained through the Secretary of State, the value of the stores shall be calculated by adding to the invoice value (including freight) 1 per cent. for insurance and 2 per cent. for departmental charges incurred in England in all cases, irrespective of the purpose for which the stores are obtained.

ORDER.—Ordered, that this Resolution be communicated to the Public Works, Military, and Foreign Departments; to the Comptroller and Auditor General; and to the several Accountants General and Comptrollers.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following paper:—

Resolution of the Government of India, Department of Finance and Commerce (Accounts and Finance—Stores), dated Simla, 22nd July 1889, No. 3742.

Read—again—

Financial Despatch from the Secretary of State for India, No. 237, dated 23rd August 1883.

Read—also—

Public Works Department Circular, No. XIX, dated 2nd September 1881, and communication to the Comptroller and Auditor-General from this department, No. 4173, dated the 11th November 1881.

Resolution—

At present no recovery is made from Provincial and Local Funds on account of the departmental expenses incurred in England in connection with English stores purchased at the instance of Provincial and Local authorities. A payment on account of the cost of insurance of such stores of an additional charge of 1 per cent. on the value of the stores is, however, required. The Governor-General in Council now directs that the same procedure shall be followed in the case of stores charged to Provincial and Local Funds as is at present followed in the case of stores supplied to Native States; and that in all cases, in addition to the 1 per cent. recovered on account of insurance, 2 per cent. shall be recovered on account of departmental charges in England.

Order—

Ordered, that this Resolution be communicated—

(1) to the several Local Governments and Administrations;
(2) to the Public Works, Military and Foreign Departments;
(3) to the Comptroller and Auditor-General, and to the several Accountants-General and Comptrollers.
