Sir

I have the honor to inform you that the roofing of No. 1 Male Cottage of the Asylum is cracked and looks as if it were coming down. I have removed the insanes for the time being into the hospital building as the Cottage seems unsafe, I consider it would be advisa to substitute a pent. roof for the existing terraced one. I am not aware why the roof of this Cottage was not converted at the same time that the others were done.

2. I request you will be pleased to direct an immediate estimate be made for the necessary alterations, to enable me to forward it for sanction of the Surgeon General with the Govt. of Madras.

In the accompanying papers the Surgeon General with the Government of Madras submits through the Judicial Department an estimate of Rs 1,035 for alterations to the Cottage No. I, Lunatic Asylum at Waltair in the Vizagapatam District and requests that as the work is specially urgent, very early sanction may be accorded to the estimate.

NOTE OF REMARKS.

The estimate under review amounting to Rs 1035 provides for alterations to Cottage No. 1 in the Lunatic Asylum at Waltair.

It is explained in the report accompanying the Est: that the cottage is in too dangerous a condition to be occupied as the existing terraced roof is very much cracked and is in a state of decay. It is therefore proposed to dismantle the existing terraced roof and to substitute a tiled roof.

The scantling of the roof timbers are

correct, and the rates are fair – Contingencies, and Petty Supervision are provided for at 5 & 3 per cent respecting The plan & Estimate have been countersigned by the Surgeon General with the Govt. of Madras and approved in the Judicial Deptt.–
