Memorandum of crimes and other  
occurrences reported to Cardamom  
Hills District Magistrate Court by  
Police Inspector Serumade.

Per made Register to 27.

Date of occurrence 1-7-89

Nature of occurrence with concise detail  
Accidental death.

That on the 11<sup>th</sup> July 1889 at about 10.0'  
clock in the night Mr Keeling was  
informed that a Tiger was standing  
close to the cow shed, that on shooting  
the tiger with 12 bore gun the shot  
accidentally hit Mr Taylor's gardener  
Lampen on the thigh without hitting  
the tiger, and that on the 12<sup>th</sup> day  
the man died.

To prove I was informed of this  
affair I at once reached the spot,  
made enquiries with, and noted  
down statements of 1<sup>st</sup> Mr Keeling the  
Assistant Engineer at Mulla Pungar  
who is said to have fired the shot.

2nd the deceased Caruppen's wife Meeramah, and 3rd Mr Keeling's servant Anthony who was together at the time. I also made enquiries with different other people who were living at the place.

Mr Keeling states that on the 1<sup>st</sup> July when it was 15 minutes after 10 o'clock in the night the above named Anthony and others told him that a tiger was standing close to the cow shed, that at once taking the 12 Bore gun he got out saw the tiger standing, that he fired at the tiger and that the shot without hitting the tiger hit Caruppen on the thigh; that he took the lamp went close dressed the wounded part with an ~~Hand~~ Kerchief and then sent him to the Hospital for treatment where he died after 12 days.

The deceased wife Meeramah states that on the 1<sup>st</sup> July night Mr Keeling when

when shooting at a tiger the shot accidentally hit her <sup>23</sup> husband and Caruppen that he died 12 days after <sup>from</sup> the effects of the wound he received, that there were no illfeelings between Mr Keeling and Caruppen and his men and that she has <sup>no</sup> grievances as her husband's <sup>only</sup> wife in receiving the shot accidentally.

Anthony states that on a certain day (date not known) as he was a tiger standing he told that to Mr Keeling, that Mr Keeling brought the gun and fired at the tiger when the shot not hitting the tiger accidentally hit Caruppen and that there were no illfeelings between Mr Keeling and Caruppen.

In connection with this affair I went to the spot and on making all possible enquiries it is known that Caruppen was not intentionally shot by Mr Keeling but that he died solely because he received the shot accidentally when Mr Keeling fired

I have the honor to forward a translation of the Police Report on Mr Keeling's matter, the original is in Malayalam and you would probably find some difficulty in getting it translated.

2. I have submitted a report to the special Appellate Judge in Travancore who is my immediate superior in the case of such matters, informing all probate I have ordered. I have also taken their opinion. I have said about the matter. If you care to have a copy of my report I shall be happy to send you one.

3. I note with much satisfaction

Remarks you have been kind enough  
to make about myself in your letter  
to the Chief Engineer

I hope to address you fully  
on the subject of the matter of  
Jurisdiction in the  
course of a day or two. I will merely  
say now that I gather from letters  
received that so far you and  
I are concurred the matter can be  
settled to our mutual satisfaction  
without the least difficulty.
