29TH AUGUST 1889, No. 2394 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper:—

From G. BIDIE, Esq., M.B., C.I.E., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, Public Department, dated Ootacamund, 29th July 1889, No. 444-O.

With reference to paras. 2 and 3 of G.O., No. 346, of 17th April 1889, I have the honor to submit to His Excellency the Governor in Council plans and detailed estimates of certain repairs and additions deemed necessary at the Lying-in hospital, Madras.

2. Instead of providing new quarters for the female staff of the hospital, as originally proposed, at a cost of Rs. 20,227, it has been decided, in accordance with my suggestion, to restore the existing buildings at an outlay of Rs. 8,565. It is further proposed to add a verandah, at a cost of Rs. 1,133, making a total of Rs. 9,698. The addition of a verandah seems necessary to protect the matron's rooms which are very hot at certain seasons. It is suggested that the restoration of these old buildings be carried out as an emergent work, as the matron and nurses are at present occupying a portion of the hospital.

3. The most important item of the present proposal is the provision of a new block of wards for the reception of cases of female ailments requiring special treatment or operations. It also contains an operation room, which is much wanted. The estimated cost of this addition is Rs. 21,606, and it is to be built in accordance with the plan of the existing blocks. As it will be a great convenience for patients and also for students, it will, I trust, be sanctioned.

4. The other items of the estimate do not require any special notice beyond the remarks that they are all necessary and will add to the efficiency of the hospital. The total amount of the revised estimate is Rs. 36,933.

Approved and transferred to the Public Works Department.

10th August 1889.

(Signed) W. S. MEYER,
Assistant Secretary.

ORDER—dated 29th August 1889, No. 2394 W., Public Works.

The estimate, amounting to Rs. 36,933, for additions to the Lying-in hospital, Madras, is sanctioned for execution when funds are available.

2. This sanction has been registered as Provincial No. 61 W. of 1889-90, and classified as Civil Buildings, Original Works.

For S. General,

To

The Chief Secretary to Government.
Public Department.

Sir,

With reference to paras 2 & 3 of G.O. No. 246 of 17th April 1889 I have the honour to submit to His Excellency the Governor in Council, plans and detailed estimates of certain repairs and additions deemed necessary at the Lying-in Hospital Madras.

2. Instead of providing new quarters for the female staff of the hospital as originally proposed at a cost of Rupees 20227 (twenty thousand, two hundred and twenty seven) it has been decided in accordance with my suggestion to restore the existing buildings at an outlay of Rupees 8565 (eight thousand five hundred and sixty five). It is further proposed to add a verandah at a cost of Rupees 1133 (one thousand, one hundred and thirty three) making a total of Rupees 9698 (nine thousand six hundred and ninety eight). The addition of a verandah seems necessary to protect the matron's rooms which

which are very hot at certain seasons. It is suggested that the restoration of these old buildings be carried out as an emergent work, as the matron and nurses are at present occupying a portion of the hospital.

3. The most important item of the present proposal is the provision of a new block of wards for the reception of cases of female ailments requiring special treatment or operations. It also contains an operation room which is much wanted. The estimated cost of this addition is Rupees 21,606 (twenty one thousand six hundred and six) and it is to be built in accordance with the plan of the existing blocks. As it will be a great convenience for patients and also for students it will, I trust, be sanctioned.

4. The other items of the estimate do not require any special notice beyond the remarks that they are all necessary and will add to the efficiency of the hospital. The total amount of the revised estimate is Rupees 36,922 (thirty six thousand, nine hundred and thirty three).
