OFFICE NOTE No. 1115

To

W.

In order to meet the requirements of the code (note III to para 864, and para 53I) regarding the examination from this office of service books, and of certain travelling allowance claims, in the offices of the Tank Restoration Scheme, I propose that when an officer is about to proceed from this office on inspection and test audit duty to divisions in which there are parties of the Tank Restoration Scheme, notice shall be given to each such officer in charge of such a party to send the necessary documents and service books to the office of the Executive Engineer of the division in which he is situated for examination there by the inspecting officer at the time of his examination of the divisional office, as it would involve much time and expense to visit each Tank office merely for this purpose.
