ORDNANCE OFFICE:

Fort Saint George,

From

Colonel CROMBIE COWIE, R. A.

Officiating Inspector General of Ordnance.

To

The Secretary to Government,

Military Department.

Sir,

with the Governor  
Stonehouse Hill.

With reference to the concluding portion of para 3 Order of Government No 1636 W. Public Works, dated 22<sup>nd</sup> June 1889, communicated under Military Department No 4783 of the 19<sup>th</sup> instant, I have the honor to state, that it will not be necessary to propose a transfer of Rs 657 from the grants for other Ordnance works in this Presidency, for the purpose of providing funds to complete the work detailed in item 50 of Statement B, of the above quoted Order of Government, as Rs 808 has been erroneously allotted to item 53. The work represented

by

by this item was stopped in the early part of 1888-89 in consequence of it having been found desirable to dismantle the shed altogether, and erect a new one in its stead. The unexpended portion of the grant for that year was surrendered, and utilized on other works, vide Proceedings of Madras Government Public Works Department No. 3509 W. dated 5th November 1888, recorded in Military Department No. 7459 of the 10th idem.

2. After providing Rs 657 for item 50 from the Rs 808 allotted to item 53, there will be a balance of Rs 151, which I request may be placed at my disposal for allotment to other minor Ordnance works.

I have the honor to be  
Sir,

Your most obedt Servant
