PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper—

From the Public Works Department, of
22nd June 1889 No 382 D.

From the Director of Public Instruction
of 24 July 1889 No 9576

Order of 10 August 1889 No 486

The reasons which led to the whole charge on account of the practical Course to be undergone by students of the College of Engineering being debited to the Public Works Department under Art. IX of the Notification approved in G.O. 7 January 1886 No 7 Educational are stated in paras 16 and 20 of the Report dated 4 April 1881 of the Committee for considering the re-organization of the College which was presided over by Colonel Shaw Stewart RE. The Committee observed that in the final year of their training the students' work would be to some extent remunerative, and therefore advised that the allowances granted should be paid

paid by the Department receiving
the students. as the first batch of these
only entered on the first year of their
practical training at the beginning of
1889 it is impossible to say at present
whether the Committee's opinion regarding
the remunerative nature of the students'
work in their final year, will be justi-
fied, and the Government is not prepared
at present to make any alteration in
the existing rules.
