NOTE OF REMARKS.

The Estimate under review amounting to Rs 2,335 provides for additions and improvements to the Punition Cells in the Fort at Vellore.

The cells are so constructed as to form 3 sides of a Sqre and it is proposed to construct a lean-to verandah 6 feet in width to one side which will be enclosed by a wall and provided with doors and windows, and to dismantle the centre wall, & construct cross walls so as to form 4 wards

about 40 feet in length by 13'9" in breadth. It is explained on the plan that the pitch of the roof is to be only 6" ~~of~~ in which case it would be better to have a pucka terraced roof. The kind of roof to be adopted is not clearly stated in the Est; judging from the rates given in the Estimate it seems to be a superior class of roof to the ordinary Bengal terraced roof and inferior to the pucka terraced roof as the rate is in excess of that for Bengal terracing and less than that for pucka terracing.

The rate for plastering is slightly in excess of the Schedule rate but not worth noting as the saving would be only about Rs 50-. The plans and Est

NOTE OF REMARKS.

The Estimate under review amounting to Rs 2410 provides for improving and repairing the Bastion Cells in the Fort at Vellore.

An Estimate amounting to Rs 2335 was submitted for sanction through the Mily: Deptt:, but as it ~~did~~ was not countersigned by the Supg: Engineer it was returned to that Office for the purpose with Endorsement No 2729C d/18th July 1888.

The Supg: Engineer now submits a fresh Est which exceeds the original Est: by Rs 75, the increase is due to some of the rates having been raised the increased rates however agree with the rates given in the Schedule. The question if the revised Estimate requires the approval of the Military Authorities, it seems to require it, as the original Est: was countersigned by the Qr. Mr. General ~~and~~ and approved by Govt. in the Military Deptt. The rates are fair

SIR.

With reference to G.O. No. 2914 W dated 20th September 1888, I have the honor to state that the Estimate of Rs 2410 for improving and repairing the Bastion Cells in the Vellore Fort was locally sanctioned under Imperial Military Minor New Works and there are no funds at the disposal of the Executive Engineer under that head to execute the work. The District Staff Officer Madras District has informed me in certain other cases that there is no Reserve with the General Officer Commanding Madras District

District to provide funds for Minor Works.

2. It is desirable that the Improvements to the Bastion Cells under reference should be finished in order that the prisoners confined at night in the Sub jail (which is one of the buildings proposed to be converted into Barracks for 2 Companies of N. Infantry) may be moved into them & the Sub jail vacated for conversion as aforesaid.

3. I request that an allotment of Rs 2410 may be appropriated for expenditure under the above head.

Read—the following papers:—

From Brigadier-General E. FAUNCE, Quartermaster-General, to the Secretary to Government, Military Department, dated 12th January 1888, No. 145 A.

Referring to G.O., No. 5209 of 25th August 1887, I am desired to submit, for the sanction of Government and for transfer to the Public Works Department for disposal, the estimates and plans, &c., below mentioned, which have been approved by the Commander-in-Chief:—

Estimates, amounting to Rs. 2,400 and 485, respectively, for converting and repairing the Commissariat stores in the Vellore fort so as to adapt them into barracks for two companies, Native Infantry, with report and two survey plans.

Supplemental estimate, amounting to Rs. 340, for converting the existing sub-jail into guard and store rooms for the above.

2. I am also to forward the correspondence as per margin and to note, with reference to the letter from the Collector of North Arcot to the Deputy Assistant Quartermaster-General, Eastern District, that all the buildings in the fort are military buildings, borne on military returns, and are merely placed at the disposal of different departments temporarily, while not required for essentially military purposes.

Letter No. G./502 of 20th December 1887 from General Officer Commanding Eastern District, to Quartermaster-General.
Letter No. 60 of 18th December 1887 from Collector, North Arcot, to Deputy Assistant Quartermaster-General, Eastern District.

No. 301, Military.

Approved and transferred to the Public Works Department.

Secretary to Government.

From Colonel H. M. VIBART, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Bangalore, 11th June 1888, No. 1018.

With reference to your endorsement No. 468 C., dated 4th February 1888 (herewith returned with its enclosures), I have the honor to submit regular detail and abstract estimates of Rs. 2,830 and Rs. 660 for converting the Commissariat stores and sub-jail in the fort at Vellore into barracks for two companies of Madras Infantry and repairing the same, in lieu of the approximates returned with the above endorsement. The regular estimates have been approved by His Excellency the Commander-in-Chief.

From Colonel W. H. BURTON, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Madras, 28th February 1889, No. 5832.

In returning your endorsements No. 468 C., dated 4th February 1888, and No. 2320 C., dated 22nd June 1888, I have the honor to inform you that plans and estimates and report as stated below for alterations to buildings in the Vellore fort to adapt them for use as barracks for two companies of Madras Native Infantry Regiment in the Vellore fort have been submitted through the Military Department :—

	RS.
Converting Commissariat stores into barracks for two companies ...	2,880
Do. solitary cells into cook-room	285
Total, New Works ...	3,165

From Brigadier-General M. PROTHEROE, C.B., C.S.I., Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 5th April 1889, No. 1378 A.

I am desired by the Commander-in-Chief to submit, for the sanction of Government and for transfer to the Public Works Department for disposal, in substitution of those forwarded with my letter No. 145 A. of 12th January 1888, the estimates and plans, &c., for the following works, which have been approved by His Excellency :—

	RS.
Converting the Commissariat stores and sub-jail into barracks for two companies, Madras Infantry, in Vellore fort.	2,880
Repairs to Commissariat stores to be converted into barracks ..	660
Converting solitary cells into cook-room for two companies, Madras Infantry.	285

2. As in the event of a regiment of Madras Infantry being sent to Pallávaram, &c., next season (should the garrison of Burma be then reduced* from 11 to 10 battalions) accommodation will be required at Vellore for two companies, Sir Charles Arbuthnot trusts that the estimates now submitted may be sanctioned at an early date to admit of the work which is entered as a class B work in the preliminary issue of the budget being put in hand as early as possible during the current official year.

From E. COLLEN, Esq., Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 21st June 1889, No. 1245 M.W.

I am directed to acknowledge the receipt of the Resolution (enclosures returned) of the Government of Madras in the Public Works Department, No. 1225 W., dated 9th May 1889, relative to the adaptation of certain buildings in the fort at Vellore for the accommodation of two companies of Madras Infantry.

2. I am to state, for the information of the Governor in Council, that, under the explanation now afforded, the provision of accommodation for two companies of Infantry in the Vellore fort is approved, and the allotment of Rs. 3,490 provided for the work in the current year's Military Works budget estimate is accordingly passed. I am, however, to say that the Government of India consider the cost of the work is very high, and hope that it may be found practicable in carrying out the work to materially reduce the expense by omitting all non-essential alterations and improvements.

3. I am further to observe that the proposed arrangement of making all the barracks open on to a small courtyard completely enclosed by them seems open to serious sanitary objection; but on this point it is assumed that the responsible sanitary authorities have been consulted and have recorded their assent to the arrangement.

Order—dated 4th July 1889, No. 1762 W., Public Works.

Communicated, with reference to G.O., No. 1225 W., dated 9th May 1889, to the Superintending Engineer, V Circle, who will submit an early report on paras. 2 and 3 of the letter from the Government of India.

SIR,

I have the honor to request that an additional allotment under Minor Works Provincial Civil Buildings may be placed at my disposal for North Arcot Division.

2. By G. O. No 1762 W dated 4th July 1889 the conversion of Commissariat buildings in Vellore Fort and existing Tahsildar's Sub-jail now forming part of these Commissariat buildings into Barracks for two Companies of Native Regiment was Sanctioned. The Bastion Cells in the Vellore Fort have to be converted into a Sub-jail for the Tahsildar's Cutchery in lieu of the existing Sub jail, and for this an Estimate of Rs 2410, has been Sanctioned Locally and it is necessary that this work should be carried out at once to enable the works Sanctioned in the G. O. above alluded

alluded to, being completed. An Estimate of Rs 1254 has also been Sanctioned locally under Minor New Works Provincial Civil Buildings, for providing Record racks for the Collectors Cutcherry at Chittoor. The existing grant under this Head for the North Arcot Division Rs 500 which is required for other Minor Works and the additional allotment thus required is Rs 3664, which I request may be appropriated at an early date. The application made in this Office No 4307 dated 14th December 1888 for Funds for the Bastian Cells under Military Minor New Works Should be considered as Cancelled, as it was wrongly classified by my predecessor as a Military Work.
